Dinner For Little League On Sept. 20

The evening of Tuesday, September 20 has been selected for the dinner to honor the New England champion Newton West Little League team.

The Committee for formal recognition of the team, which organized at a meeting held last week at Newton City Hall, selected Valle's Steak House, Chestnut Hill, for the affair, and plans to accommodate some 500 persons have been made.

Price of the dinner will include a portion to help defray the cost of purchasing jackets for the All-Star team.

Recreation Commissioner C. Evan Johnson, with the backing of the Newton Chamber of Commerce, called the meeting. The group selected Samuel Turner of the Junior Chamber of Commerce as the permanent chairman; John Balkus of the Newton National Bank and first vice president of the Kiwanis Club is treasurer; Mario DiCarlo, representing the veterans organizations, chairman of the ticket committee.

The group chose Frank Copp, District 12 Little League representative, as honorary dinner chairman in recognition of his over-all contributions to the league.

Co-ordinators of the dinner are Louis LeBlanc, president, and Justin Horan, executive secretary of the Chamber of Commerce.

Primary Contenders Enter Critical Stage of Campaign

The embattled candidates for Governor, U. S. Senator and other State, county and national offices will sweep into the crucial and critical stage of their campaigns immediately after the Labor Day weekend.

It will be in the seven-day span between next Tuesday and Primary Day that the most intensive electioneering will occur and in which most primary contests will be won and lost. For the past several weeks the office-seekers have been striving to break through the usual summer voter apathy which has been more pronounced because of the attention focused on the Presidential skirmishing.

In the final week of the primary campaign there should

be a sharp rise in public attention as the voters decide how they will cast their ballots when they go to the polls Sept. 13.

Greatest interest, of course, will be centered on the seven-candidate struggle for the Democratic nomination for Governor and the three man clash for the right to run as the Democratic nominee for U. S. Senator.

But a number of other battles for endorsements for the lesser State Constitutional offices and for places in the Governor's Council, State Senate and House of Representatives also should command some measure of public attention.

As a result of the variety of

Agile Burglar Flees Pastor's Bedroom in NC

Newton police are on the lookout for a nervous, youthful gunman wearing a dark maroon shirt who leaped from a second story window in Newton Centre Saturday night clutching a gun in one hand and \$350 worth of stolen watches in the other.

The agile burglar fled when he was surprised in the second-floor bedroom of Rev. Dr. Carl J. Giers, 45, of 904 Centre St., pastor of Tremont Temple Baptist Church in Boston.

Rev. and Mrs. Giers returned home about 8:30 p. m. and as he opened the front door heard Venetian blinds rattle in the bedroom. He ran through the house and out the rear door in time to confront the burglar who pointed an automatic pistol and warned

Early News, Ad Copy Requested For Next Issue

Once again we ask our readers and advertisers to co-operate with us by providing us with early copy for the next issue of this newspaper, by Saturday if possible.

This request is motivated by the Labor Day holiday on Monday, observed by all our departments.

Policewomen Set High Mark As Blood Donors

The most enthusiastic supporters in Newton of the recent two-day donor session of the Red Cross Bloodmobile were the personable "Ladies in Blue" of this city's swank and efficient policewomen corps of school traffic directors.

When the call went out for volunteer blood donors at the project held at Newton City Hall, the group who provided the highest percentage of donors was the policewomen. The completed tabulation showed that 50 percent of the policewomen force of sixty-three were present as donors.

In addition, practically all the women members of the police detail who were not present, have indicated their desire and willingness to donate to the blood bank when the Red Cross Bloodmobile makes a scheduled

return to this city in September.

Volunteer donors at the recent city hall session included municipal and industrial personnel, members of the clubs and organizations and other Newton residents. Two hundred and fifty donors took part in the project.

This special Red Cross meeting was organized by and under the supervision of Mrs. George P. Norton, chairman, Mrs. Donald Mayberry and Mrs. Earl Atkinson of the Newton Red Cross Bloodmobile Committee, assisted by 30 volunteer Red Cross workers.

Big Savings Galore In Newtonville Sept. 8-9-10

"Help the Harassed Homemaker" could well be the theme of this year's "Back to School and Fall Sale" to be staged by Newtonville merchants September 8, 9 and 10.

This annual "Bargain Bonanza" is held each year by the merchants and businessmen of Newtonville because they know that the problems of dressing the children properly when they go back to school can cause financial jitters among a large portion of the parent population.

And while mother is picking up bargains, the children will be regaled by "Bozo the Clown" and Big Brother Bob Emery of Radio and TV fame.

"Bozo" will appear at the Star Market Parking lot on Friday (Sept. 9) from 1:15 to 2:15 p. m. In event of rain the funny clown will be on hand at the same place Saturday morning at 10 o'clock.

Big Brother will appear at Star Market Thursday afternoon at 3 p. m.

The enthusiasm with which these sales have been greeted in the past has been proof that the residents appreciate a sales event of this type.

Merchants go all out to provide the best possible buys for shoppers during the sale period. Most important to shopper will be the tremendous merchandise values to be offered by all participating merchants.

Seek To Prevent Night Use Of Power Mowers

Making hay while the moon shines on Newton's lawns would be banned under an ordinance to bar the use of power mowers at night now before the Newton Board of Aldermen.

The Claims and Rules committee is studying the proposed ordinance proposed by Alderman Paul S. Rich. It would prohibit use of power mowers in the city between 9 p. m. and 7 a. m. Atty. Rich said he filed the proposed measure because of numerous complaints.

"We definitely need such a law," he contended. "Some people are mowing their lawns at midnight by the light of the moon or as early as 5 o'clock in the morning." The proposed ban would not affect hand mowers.

Golf Course Apt. Project Stirs Foes

Residents opposing an announced construction of a \$3,500,000 luxurious garden-type apartment development on 100 acres of the Commonwealth Country Club scheduled a meeting last night of the Newton-Commonwealth Improvement Association at the Newton Women's Club in Newton Centre.

They announced plans to elect officers and map steps to prevent construction of a series of two-story buildings of brick colonial design, similar to those in Hancock Village, West Roxbury.

Developer Leo A. Wexler has obtained a zone change from the Boston Board of Zoning Adjustments for the 20 acres situated in Brighton, but Newton City Clerk Monte Basbas said no application has been made for the other 80 acres located in Newton.

Several hundred Newton abutters formed the association claimed the project would tend to devalue existing property, would create a serious traffic problem and would require construction of another school.

Wexler's plans call for 1000 apartments with rents ranging from \$175 to \$225.

200 New Teachers, Supt.; 4 Principals, High School

Newton launches its new school year on September 12 with a record-breaking number of students attending the 32 schools and a "New Deal" in the administration.

It marks the inauguration of classes at the new Newton South High School. And because the roads leading to the school and the parking lot have not been completed, a ban has been placed on student driving to classes. Newton has a new superintendent of schools, four new principals and more than 200 newly-hired teachers.

The newest of the principals is Dr. John J. O'Neill who will be in charge of the Weeks Junior High School.

From kindergarten through junior college, Newton will have a school population of 17,800 children, about 500 more than ever before. The Newton South High School, which is complete except for the library, will accommodate 1100

boys and girls in grades 10 through 12.

An additional 500 ninth graders from the Meadowbrook Junior High School in Newton Centre will go to classes in the new school in Oak Hill. At Newton High School on Walnut St., there are enrolled some 2300 students. This brings the high school count to 3400.

Meanwhile, Mayor Donald L. Gibbs proclaimed the period from Sept. 4 to Sept. 10 to be "Back to School" Week in Newton. He urged full cooperation with the U. S. Department of Labor in its "highly commendable efforts to encourage students, young and old, to persist in school attendance and attainment in order to develop their capacities for learning to the fullest."

At the helm of Newton's school system is Dr. Charles E. Brown, 35, who succeeded to the post of Superintendent of Schools on July 1 when Eric

N. Dennard resigned "for personal reasons" and returned to his native Texas as Supt. of Schools at Tyler, Texas.

The School Committee unanimously chose Dr. Brown to succeed Mr. Dennard and fixed his starting salary at \$16,000 a year.

Dr. Brown announced that the ban on student cars at the new South High School was only until further notice, and was "not a firm policy for the year." He said the ban was placed in effect because roads leading to the new school are not complete, because parking facilities are not complete, and because certain pieces of construction equipment are still on the property.

He added, however, that if the ruling creates hardships in certain individual cases, special permission will be granted.

Better, Quieter Service Promised Over Highland Branch This Fall

The thousands of daily commuters on the Highland Branch line of the MTA will experience a quieter ride, more rolling stock and "stepped up service" when the new Fall schedule goes into effect.

Although the line operating from Riverside to Boston showed a loss of over \$300,000 for the first year of its operation, MTA officials stressed its "vast and meaningful accomplishments."

They said the Fall schedules are ready and "should be out within the first two weeks of September." The line carries about 26,000 commuters each day.

The Highland Branch line was built at a cost of \$10,600,000 over 11 miles of abandoned Boston & Albany track and opened on July 4, 1959. The MTA included amortiza-

tion and interest charges on construction and vehicle bonds bringing the net loss for the year to \$803,874.

During the first year of operation expenses totaled \$1,925,814. Revenue from fares, parking and concessions was \$1,587,200 resulting in the loss of \$338,614.

The new MTA General

Manager Thomas J. McLernon, said he was not pessimistic about the losses, and called the Highland Branch a "trail blazer" in the mass transportation picture.

He said he would seek to transfer available spare equipment to be used on the run. He later took his M.S. in Civil Engineering at the University of Michigan in 1938.

Newton Hadassah To Fete Israel's Dr. K. J. Mann

Mrs. Irving Glickman of Newton, formerly of Colombia, South America, has been named Big Gifts chairman of the Boston Hadassah donor luncheon campaign, it was announced by Mrs. Arnold Canner of Newton, Boston Chapter president.

Mrs. David Yaffe and her brother Joseph Linsey are giving a sherry party at their Chestnut Hill home on Thursday, Sept. 15, for Dr. Kalman J. Mann, director of the Hadassah Medical Organization in Israel, who is coming to Boston the day after the close of the national convention in New York.

Their guest list includes Mrs. Glickman's Big Gifts committee and contributors to the Golden Doorway in the Kiryat Yovel Community Health Center where Hadassah's unique approach to public health has attracted experts from the United Nations, the United States, South America, European, African and Asiatic countries.

The new chairman of one of the key departments in Boston Hadassah's 2-day luncheon is the wife of the noted periodontist, Dr. Irving Glickman, professor and head of the department of Oral Pathology and Periodontology and director of the division of Graduate and Post-Graduate Studies at Tufts University School of Dental Medicine.

She is a native of Cali, Colombia, where she graduated from the Licea Benalcazar and she received her D.D.S. degree at the School of Dentistry in the Universidad Nacional in Bogota. In 1951 she was awarded a master's degree at Tufts Dental School. For the next two years she was one of the three practicing periodontists in Colombia.

Mrs. Glickman has been living in this community since her marriage in 1954. She is an active member of the Tufts Women's Dental Committee and the Sisterhood and P.T.A. at Temple Oshel Shalom, Brookline. Last summer she visited Israel with her husband when he lectured at the Hadassah Hebrew University Medical School, Department of Dentistry.

Mrs. Benjamin Levin of Newton, last year's Big Gifts chairman; Mrs. Arthur Zanditon, overall donor luncheon chairman, and Mrs. Walter Bieringer, 1959 luncheon chairman, are working with Mrs. Glickman on the selection of her committee.

Mrs. Glickman hopes to add many new inscriptions to the Golden Doorway. She will bring the scroll to Israel which she expects to re-visit with her husband soon after the donor luncheon in December.

The enthusiasm of Hadassah women and the enlighten-

ed generosity of the Boston community has deeply impressed Mrs. Glickman. "Medicine knows no frontiers," she said. "The value of Hadassah's healing, teaching and research work in Israel goes far beyond the borders of the wonderfully exciting little country. It is a privilege to be identified with the people here and the work there."

Annual Scotch Picnic, Games On Labor Day

An outstanding program of pipe bands and Highland games has been planned by Clan Sutherland for the annual Labor Day picnic to be held at Brookline Field from 10 a.m. to 7 p.m.

Heading the list of outstanding attractions will be the MacDougall Girls' Pipe Band from Glace Bay, Dominion and North Sydney, Nova Scotia, as well as a pipe band from the Canadian Air Force Station at Rockcliffe, Ottawa.

Also competing will be bands from Boston, Lynn, Worcester, Bridgeport and Rockville, Conn.

Many dancing stars of the U. S. and Canada will vie for honors in the Highland fling, sword dance, shean truilhas and jig events.

from Newton to Boston. He said there are other lines where "the number of rolling stock is in excess of what is needed, and where this equipment is suitable for operation on the Highland Branch, it will be transferred."

McLernon added: "An obviously growing acceptance of the suburban line by the public is reflected in the number of commuters who ride the trolleys."

He reaffirmed his criticism of the "physical inadequacies" of the branch and said he would "remain critical until this phase of the operation is met head-on and corrected." He referred to the "swinging away."

There has been an accelerated program of rail-welding on the branch. A large portion of the rails both inbound and outbound have been welded. This eliminates the clicking sound between stretches of rails.

A large percentage of the welding will be completed this year and the remainder will be finished early in 1961, an MTA spokesman said.

During rush hours inbound cars from Riverside occasionally have been looped around at Kenmore Sq. and run out again. This will be continued during peak hours, making it possible for cars to make more trips. The loop system also reduces congestion in the tunnel to Park Street.

A recent study of the MTA Highland Branch, made by the Greater Boston Economic Study Committee, showed the line carried ten times more passengers than the B & A railroad service it replaced.

Thurber, Price Are Featured In Suburbia Today

A variety of reading treats await readers of the popular monthly color magazine supplement, "Suburbia Today," the September issue of which arrives with this newspaper next week.

These treats include another James Thurber original story, "How To Get Through The Day," a view of life from "rosy-fingered dawn" to "beddy-bye."

Other features, all calculated to soften that post-vacation letdown, includes a story by the noted actor Vincent Price, who tells about the two months each year he spends lecturing to club-women.

There's an entertaining story for all mothers who have baby-sitting teenage daughters. The garden pages remind you of the interesting things to be done with window-boxes.

The September issue launches a new and fascinating "Contest For People Who Never Enter Contests." A list of valuable prizes has been secured and the contest is one of the most entertaining and original ever sponsored anywhere.

All the regular, time-tested features will be found in the September "Suburbia Today," a definite "must" for readers of this newspaper next week.

Workers Get Reminders On Holiday Care

The "Boss" says be careful. Letters urging off-the-job safety precautions over the Labor Day holiday weekend were mailed this week to 500 employees by the Wexler Construction Company of Newton.

A list of "musts" to aid in a safe observance of the week-end whether at home, on the road, or at resorts is included with the letter.

Whittier Says Leslie B. Cutler 'Great Senator'

State Senator Leslie B. Cutler of Needham was praised this week by Veterans Administrator Sumner G. Whittier as "one of the great Senators in Massachusetts."

Whittier, who served two terms as Lieutenant Governor and was the Republican nominee for Governor in 1956, said that Mrs. Cutler "has contributed more than many will ever know in the way of sound and forward-looking legislation."

Lauding Senator Cutler's achievements in both the House and the Senate, Whittier in a letter from Washington went on to say:

Leslie Cutler has been a great and towering legislator in Massachusetts. It was my privilege to serve with her in both the House and Senate for many years.

"She has contributed much that is both significant and forward-looking, especially in the fields of civil rights, public welfare, rights for women, aeronautics and a dozen other areas."

"She has filed much legislation and has been a member of committees and many study commissions, always working assiduously between sessions as well as during legislative sessions."

"She spoke with courage and conviction when she arose in the Senate. She fought as hard against waste and inefficiency in government as she fought for help for those in mental hospitals and public hospitals."

"She is a great leader, and I am proud to know her and to have worked with her," Whittier concluded.

Senator Cutler is standing for Republican renomination in the newly established Norfolk-Middlesex senatorial district.

Awards Given Two Volunteers

Two Newton girls, Susan LeVine and Nancy Lurensky, were among those honored at Brookline Hospital last week for volunteer service given to the hospital through the summer.

Rubin Epstein, hospital president, presented them with volunteer service pins and certificates. Guest speaker was Robert McCreech, director of the school bureau of the United Community Services of Metropolitan Boston.

A tour of the hospital for friends and relatives of the girls followed the program. Hostesses were Mrs. Benjamin B. Rodman and Mrs. Samuel Malins.

Political Highlights

(Continued from Page 1)

contests on the Democratic side of the political fence, Sept. 13 should see a turnout of at least 600,000 Democratic voters despite the fact that the primary falls a week earlier than would normally be the case.

That would represent an increase of 100,000 voters over the number which came out for the Democratic primary in 1958, when the Democrats had no clashes for places at the top of their State ticket.

Even with a 600,000 turnout, the political experts figure that the Democratic gubernatorial contenders will split the vote in such a manner that a candidate who can roll up 150,000 votes will emerge the winner, with his closest challenger not far behind.

Because of that appraisal it is interesting to look back into the records and find that five of the men bidding for the right to run as the Democratic nominee for Governor have polled substantially more than 150,000 votes in past primaries.

Lieutenant Governor Robert F. Murphy rolled up 280,781 votes in winning nomination over a formidable adversary, present Congressman James A. Burke of Milton, in 1956. Burke was far from being a feeble opponent, having been the Democratic nominee for Lieutenant Governor in 1954. Murphy received 381,834 votes in the primary two years ago but then was unopposed for re-nomination.

State Treasurer John F. Kennedy drew 186,382 votes in the 1956 primary and 256,165 two years ago. His primary opponent in 1956 was present Registrar of Motor Vehicles Clement A. Riley, a strong vote-getter, and in 1958 was Mayor William G. Shaughnessy of Woburn.

Secretary of State Joseph D. Ward polled 203,923 votes against Attorney General Edward J. McCormack in 1956, and former Governor's Councilor Endicott Peabody received 198,016 votes against McCormack in 1958.

Ward and Peabody, as a matter of fact, have each made only one state-wide run. For each of them that was a losing primary fight with McCormack.

Those figures would indicate that Ward and Peabody are fairly evenly matched as far as their basic strength is concerned. Ward polled slightly the larger vote of the two against the same opponent. But McCormack was probably a stronger candidate in 1958 than in 1956, and the Democratic turnout was a little larger in 1956 than in 1958.

Former Attorney General Francis E. Kelly has gone over the 150,000-vote mark in several primaries. As examples, he polled 204,155 votes in 1952 and 292,450 in 1950.

Former Boston City Council President Gabriel F. Piemonte and Alfred Magaletta, Westwood real estate developer, have never before participated in a state-wide contest so that comparable figures are not available for them.

It is fairly safe to predict that Murphy, Ward, Kelly, Kennedy and Peabody will all fall short of their high totals of the past when the Democratic gubernatorial vote is tabulated a week from next Tuesday night.

There is considerable speculation in political circles as to what effect, if any, the sales tax and sweepstakes issues will have on the primary voting.

Murphy is the only candidate who is making the sales tax an issue. The blunt, outspoken Murphy battled the sales tax bill when it was proposed in 1959 and 1960 by Governor Furcolo, and he has been citing that as part of his public record on which he will stand or fall.

Kelly, of course, is hammering away on his plan for a sweepstakes to help finance the operation of the State government. In most sections where Kelly's lottery proposal has appeared on the ballot it has been overwhelmingly endorsed by the voters.

This Democratic gubernatorial conflict appears to be a different kind of contest from those in which any of the candidates have engaged in the past.

It will be influenced, perhaps decisively, by the personal popularity of the various candidates and the impact they make on the voters in the closing stages of the campaign.

In a contest where a 150,000-vote total is likely to be enough to win, the organization work of the opposing camps and the effectiveness of their efforts to get out the vote also may play a part in shaping the outcome.

There is increasing speculation in political quarters on whether Governor Furcolo will put on any final drive for the Democratic nomination for the U. S. Senate.

Up to the present time Furcolo has gone along like a man who considered that he had no primary opposition. Springfield Mayor Thomas J. O'Connor and Middlesex County Register of Deeds Edmund C. Buckley doubtless would dispute that appraisal.

The court action which placed Boston City Councilor Patrick F. McDonough back on the ballot has given a new look to the contest for the Democratic nomination for State Treasurer.

That now shapes up as a lively three-cornered conflict between Representative John T. Driscoll of Dorchester, who was endorsed by the Democratic preprimary convention; Councilor McDonough, also of Dorchester, and former Boston School Committee member and ex-Assistant District Attorney George F. Hurley of West Roxbury.

Neither McDonough nor Hurley contested with Driscoll at the June convention.

A young Democratic leader, who is proving an excellent campaigner in his first run for public office, is former Assistant District Attorney Kevin H. White, son of Boston City Councilor Joseph C. White, who was endorsed for Secretary of State by the Democratic Convention.

White's drive was slowed down somewhat when his father was suddenly stricken seriously ill in Los Angeles after a week of arduous work for Democratic Presidential Nominee John F. Kennedy.

During the past fortnight, however, White has got his campaign back into high gear. He is being challenged by former City Councilor Francis X. Ahearn of Brighton, as assistant to the late Secretary of State Edward J. Cronin, and Attorney Margaret McGovern of Chestnut Hill.

Three Newton Students Get B.C. Scholarships

Three Newton students are listed among 140 who are recipients of scholarships at Boston College.

Among those granted scholarships and who will enter the Jesuit college this fall are:

Judith A. McClelland, 20 Braeland Avenue, Newton Centre. Miss McClelland is a graduate of Sacred Heart High School in Newton. She will enter the School of Education at Boston College.

Theresa C. McLoud, 14 Maple Park, Newton, also will enter the School of Education. She is a graduate of Notre Dame Academy, Roxbury.

William M. O'Brien, 114 Grasmere Street, Newton, will enter the College of Arts and Sciences. He is a graduate of Boston College High School, Dorchester.

The scholarships are awarded for outstanding scholastic promise and achievement by recent high school graduates.

Waban and Cabot Win Two Crowns

Waban won the National Division Championship of the Newton Recreation Department and the Cabot Club won the American Division title, and both teams will be honored at the Annual Award Dinner to be held at the Normandie Room, Norumbega Park, on Sept. 12. Trophies will be presented at that time.

Waban won its title by defeating the Boys' Club, 10 to 2. Mark Nebecker pitched a three-hitter and his mates backed him with a 10 hit attack to capture the National Two League Title at Allison Park.

Nebecker struck out six and did not issue a base on balls in leading Waban to the title. The series was a best of five and two games ended in ties.

Richard Perkins and Joseph Leary and Walter Kelly led the Waban hitting attack with two hits each. Kelly drove in four runs and Leary batted in a pair.

Waban started fast with four runs in the first inning. John D'Alessio singled, Ed Ennis walked, and Nicholas Nicholson reached on an error to load the bases. When the Boys' Club pitcher threw Perkins' roller wildly past first base the first two runs scored.

Ray Prato's single loaded the bases again and after there were two out, Kelly singled to right center for two more runs. Errors and walks contributed to Waban's main runs. The victors finished off with a total of 10 runs to win the championship.

The Cabot Club defeated the Auburndale Merchants and won a close game 2 to 1 to gain the American Division title at Newton High School Field. It was the first time the Cabot team has won the championship after five years of trying. William Woodlock and pitcher Richard Maloney shared hero honors. Woodlock hit a two run homerun which ultimately won the game and Maloney held the Merchants to three hits and he struck out six.

The victory gave Cabot the best of seven series in five decisions.

been considered by the Massachusetts Court before," Bottomly continued. "To clarify the issue once and for all, I brought the matter to the attention of the Court. It has been decided by the Suffolk Superior Court that a State Senator elected in an old district is entitled to preferential listing on the ballot for a new district.

"The public purpose has been served," Bottomly asserted. "A confused legal situation has been settled by the properly constituted authority.

"That it was important and necessary new law, difficult to define, is evidenced by the statement of Judge Goldberg in open Court that he had remained awake until 4 a.m. to decide the case.

Senator Cutler is engaged in a hot three-way battle for the Republican nomination for the State Senate with Attorney John S. Bottomly of Wellesley and Representative Irene K. Thresher of Newton. All three have been active for years in GOP affairs.

The newly created Norfolk-Middlesex senatorial district in which they are waging their contest takes in five wards of Newton and the towns of Wellesley, Dedham, Needham and Weston.

Attorney Bottomly challenged Mrs. Cutler's right to be listed first on the ballot on the ground that she is not actually standing for reelection in the same district from which she was elected in 1958.

Bottomly, in accepting the court decision, observed that a question transcending any personalities had been involved in the legal proceedings.

"The redistricting bill raised some interesting questions," Attorney Bottomly pointed out. "Not the least was whether a State Senator, elected from an old district, could be considered an incumbent running for renomination in a new district, half of which was not in the old district. The significance of the answer is that an elected incumbent is given preferential listing on the ballot.

"The question had never

DRIVE CAREFULLY

Help improve our local safety record! Drive carefully! Many children go to school for the first time! Don't let it be their last! Your caution can save a child's life!

- **DRIVE EXTRA CAREFULLY** around schools and playgrounds! Be on the lookout for children when they walk to and from school! Your vacation from school children is over now!
- **BE ON THE ALERT** when you are near a school bus. Of course, they have to obey all traffic rules! But, give school buses a break anyway . . . they carry a priceless cargo!
- **PARENTS! NEVER STOP TELLING** children about the many traffic dangers! Only then can we hope to help reduce traffic fatalities! One out of seven fatalities involves a school child! One out of ten fatal accidents is caused by a teenage driver!
- **DRIVERS! DON'T HURRY** when you drive! we may as well face it! We cannot reduce traffic casualties unless we slow down! The lives of others are in the hands holding your steering wheel. The minute you may save, isn't worth the life of a school child!
- **HAVE YOUR CAR CHECKED** by an expert! Any car that is not in perfect mechanical condition is a potential murder weapon! The few dollars you spend may save a life!
- **PULL OFF THE ROAD** when you're tired, and take a nap! **DON'T DRIVE** at all when you've had a drink! Drowsiness and drinking are responsible for many fatal accidents!

Mulhern Wants Tax Dollars Spent In Mass.

A realistic reappraisal of the Federal government's tax revenue distribution and allocation formula has been called for by Attorney Joseph J. Mulhern Jr., Democratic candidate for Congress in the 10th District.

In discussing this significant point on what he terms: "My Washington Agenda—1961," Mulhern declared that the Congressional delegation of this and other states in the industrial belt of the nation must make a concerted effort to revise an "outmoded allocation system that works against the best interests of Massachusetts."

Mulhern pointed out that a "very substantial portion of tax money sent to Washington from the pockets of Massachusetts taxpayers is directly diverted to provide advantages for other sections of the country at our expense. The way the formula now operates, the rural and undeveloped states win a disproportionate share of all Federal revenues."

"It is some of these very states that gain our tax dollars for government-subsidized improvements that have been raiding our industry for years," Mulhern explained.

"In several southern states, for instance," he pointed out, "political and business interests have lured the once formidable Bay State textile industry with the devices of cheap labor and attractive local tax concessions because of our stricter constitutional requirements."

"Living With Your Heart"

Editors Note: This article is prepared by the Massachusetts Heart Association as a public service.

To operate—or not to operate? This is one of the most difficult decisions faced by heart surgeons, for although cardiac surgery has progressed by leaps and bounds in the past decade, it is still far from a routine matter. It is demanding and precise; it calls for the highest order of surgical skill, and it is never undertaken without compelling reason.

In the light of this situation, any diagnostic technique that can shed advance light on the condition of a heart patient's circulation is a medical discovery of value. Such a technique—a safer and more efficient method of x-raying coronary arteries—has been evolved in a Heart Fund research project at Boston's Beth Israel Hospital.

The initial contribution has been the devising of a heart catheter which gives the doctor more "traffic control" than before by outlining selective coronary arteries with an opaque solution.

The study is conducted by Dr. Howard A. Frank, associate director of surgical service at Beth Israel, and assistant professor of surgery at Harvard Medical School.

Associated with him are Drs. John A. Williams, Sven Bellman and Peter B. Lambert; Drs. David Littman and Jack H. Hall of West Roxbury, Veterans' Administration Hospital are collaborators in the coronary artery x-ray tests.

The shape of standard heart catheter (a tubular surgical instrument for pumping fluids) was changed, with a loop at a right angle to the stem so it can be placed at the edge of the arterial stream.

The organic, iodine-containing fluid pumped into the arteries "peels off" and enters the branches that tests have indicated should be studied, rather than diffusing widely through the bloodstream. The new technique involves the use of less fluid and makes possible clear and localized x-ray pictures. Such pictures give surgeons vitally-needed information on the nature and site of damaged arteries in various parts of the body, and are helpful in making a decision whether surgery should be undertaken.

Another part of the project, still under way, involves determining in animals the minimum amount of blood needed to nourish the heart muscle and maintain the normal rhythm of heart action. Dr. Frank and his associates are testing vulnerability to fibrillation (wild, uncontrolled heartbeat that fails to pump blood through the body). Electric shocks are imposed on the heart at closely controlled points in the heartbeat cycle while blood is flowing through the coronary arteries at varying rates.

NEW WARREN JUNIOR HIGH SCHOOL ADDITION — Ready for the influx of bright-eyed scholars next Monday is this modern, two-building addition to the Levi Warren Junior High School. Increased science facilities are features of the new school. Construction was started in spring of 1959. Part of old building is seen at extreme right.

Another Star In Educational Banner

Million-Dollar Addition Will Greet Warren Junior High School Pupils

The attractive, modern, million-dollar addition to the Levi Warren Junior High School will greet the school's more than 1,000 students returning for the 1960-61 scholastic year on Monday, September 12th. It adds another bright star to Newton's educational banner.

This year about 175 pupils will use the new addition which eventually will increase the student population by

better than 300. 1075 students will attend the school this year in both new and old buildings.

John W. McLeod, principal, stated this week that the outstanding feature of the new building will be increased facilities to provide a better science education program at the school.

The school was built at a cost of \$1,124,016. Architects Collaborative, of Cam-

bridge, were the architects. Construction was started in the spring of 1959. Todd Brothers Construction Company, of Newtonville, were general contractors.

The new building is divided into two sections, classrooms in one, the gymnasium and locker room in the other. The gymnasium building will not be ready for occupancy on Monday but will be completed in about a month.

The classroom section is a three-story building. It has eight classrooms, five science rooms, a music room, library, two art rooms, graphic arts,

drawing-planning, wood and metal shops.

The second section contains gymnasium floor and locker room floor. It can be divided into four sections by means of automatic rolling partitions.

This section will provide modern facilities for the expansion of the physical education program and can also be utilized for the holding of games, athletic contests and assemblies.

The gymnasium is spanned by two large steel beams — **WARREN SCHOOL** — (Continued on Page 9)

"Y" Pool Project Near End

Installation of a completely new filtration system for the swimming pool at the Newton YMCA is now being completed, according to Eldred M. Peterson, president, and Fred A. Hawkins, chairman of the House and Grounds Committee.

The new system consists of three 48-inch pressure sand and gravel filters, one 36-inch balancing tank to maintain water level, one 4-inch hair and lint catcher and a completely automatic chemical feeding system.

Work now in process is expected to be completed in two weeks and will allow a complete re-circulation of the 55,000 gallon pool every eight hours.

Classes which are expected to begin use of the pool about Sept. 17, will find the crystal clear and chemically pure pool adding to their enjoyment at the YMCA.

Work on the filters is under the direction of David — **POOL PROJECT** — (Continued on Page 5)

Big Turnout Expected For Tuesday's Primary

Hot 3-Way GOP Clash For State Senate Seat

Newton voters will turn out in force next Tuesday to play their part in settling a variety of hot Republican and Democratic primary battles.

Polling places in the city will be open from 7 a.m. until 8 p.m.

Keen local interest will be centered on the fights for the Republican nomination for the State Senate and for the GOP endorsements for the House in the two Newton legislative districts.

The conflicts on the Democratic side range all the way from the struggles for the nominations for Governor and U. S. Senate to a three-cornered clash for two endorsements for the House in the fourth Middlesex legislative district.

The action of the Legislature in dividing the Commonwealth into new State Senate districts set the stage for a lively three-way race for the Republican nomination in the newly created Middlesex-Norfolk senatorial district.

The Rev. Arthur A. Rouner, Jr., minister of the Eliot Church of Newton, is the author of a new book, "The Congregational Way of Life" published this month by Prentice-Hall.

The author is the elder son of Dr. and Mrs. Arthur A. Rouner of the Cadman Memorial Congregational Church of Brooklyn.

Rev. Rouner's book won the unanimous decision of the judges in a nationwide contest for The Savoy Tercentenary Award offered for the best manuscript based upon The Savoy Declaration of Congregational principles and practices adopted in 1658 by the independent churches and ministers of England at their conference held in the Savoy Palace in London.

Among noted ministers commending the book by the Newton clergyman are Dr. Daniel Polling, editor of The Christian Herald; Dr. Albert Belden, famous English Congregationalist; and Dr. L. Wendell Fifield, chairman of the Committee on Free Church Policy and

Five Newton Boys Held In Robbery-Attack

Five youths who entered pleas of innocent to charges stemming from the robbery and beating of a Waltham executive, were released in bail by District Court Judge Donald E. Mayberry for a

hearing on Sept. 19 at their arraignment last week. Charged with unarmed robbery and released in \$3,000 bail each were Gerald Sherman, 18, of 51 Cotton St., Newton; Alan H. Goldberg, 17, of 11 Marshfield Ed., Newton Centre; Gerald A. Falk, 18, of 28 Ballant St., Newton Centre, and Stephen A. Fisher, 20, of 34 Dorothy Rd., Newton Centre.

John W. Bevins, 17, 107 Truman Rd., Newton Centre, pleaded innocent to charges of unarmed robbery, passing three bogus checks and stealing four radios and a fan from an auto firm, and bail was set at \$6,000. The robbery charges against the five boys stemmed from an attack upon Richard C. Jacobs, 24, vice president of the Jet Spray Corp., on Rte. 128 in Waltham. Jacobs lives at 99 Yarmouth Rd., Brookline.

Jacobs told police he was lured into the woods off Nahant St., in Oak Hill on Aug. 8, beaten and robbed by five youths, four of whom wore silk stocking masks. He was treated at Newton-Wellesley Hospital.

Firemen's Pay Boost Petition Nears Voters

City Clerk Monte G. Basbas has announced that the Board of Registrars will convene shortly to prepare a petition to the secretary of state's office to place the Newton Firefighters pay raise proposal on the No. 8 ballot. Names on the petition have been certified by the Board, and the deadline for filing objections to the petition passed last week without any protest. The firefighters are appealing to the voters for a \$500 pay raise. They had sought \$700 originally, but last Spring the Board of Aldermen granted a \$200 across the board raise. Firefighters now receive \$5000 per year, and if their request is granted, would receive \$5500.

Margaret McGovern Seeks Support for Secretary of State

Attorney Margaret F. McGovern of Newton this week pressed her campaign for the Democratic nomination for Secretary of State in next Tuesday's primary. Mrs. McGovern is the only woman candidate for Secretary of State. She said today that during the past three months she has attempted to visit all the major cities and towns in the Commonwealth.

JOHN S. BOTTOMLEY

Bottomly Aims For Senate Seat In New District

Attorney John S. Bottomly of Wellesley, who is seeking the Republican nomination for the State Senate in the new Norfolk-Middlesex senatorial district, has been active in GOP affairs for more than a decade.

The district in which he will be asking Republican support next Tuesday takes in Wards 2, 3, 4, 5 and 8 of Newton and the towns of Needham, Dedham, Wellesley and Weston.

Bottomly has been prominently identified with the Republican party since 1943 when he was a delegate to the GOP national convention. He was a member of the Newton Republican City Committee from 1949 to 1952.

Presently, he is president of the Norfolk County Republican Club and a member of the Republican Club of Massachusetts, the Middlesex Republican Club and the Wellesley Republican Town Committee.

Two years ago, Bottomly was nosed out after a very close race in the November election.

While a resident of Newton, Attorney Bottomly was chairman of the Crusade for Freedom in 1950, was treasurer of St. Paul's Episcopal Church in 1952. From 1953 to 1957 he was senior warden of that parish and now is a member of the vestry.

He was a founder and charter member of the Newton Junior Chamber of Commerce and was a member of the American Legion Post in Newton.

Attorney Bottomly was educated at Boston Latin School, Deerfield Academy, Harvard College, where he received his degree in 1943, and from Boston University Law School, where he was editor of the Law Review for two years. He is a practicing attorney with offices in downtown Boston and is a member of the Massachusetts and Federal Bars.

He had a distinguished record in World War II, entering the army as a private in October, 1942, and being discharged as a captain in August, 1946. In the interim he served two years in the European theatre at SHAEF and with the Allied Control Authority for Germany.

Bottomly was decorated with the Legion of Merit by General Clay and is a member of the Veterans of Foreign

Wars. He is married to the former Mary Whittier of Dover, and they have six children.

In asking support from Republican voters in next Tuesday's primary, Bottomly said:

"The law which created this new senatorial district has made it abundantly clear how serious is the threat to the effectiveness of the two-party system in Massachusetts.

"If the Republican party is to continue as an effective political force in Massachusetts, it must develop new leadership. Those leaders must be able to recognize and deal with the matters of primary interest to my generation. The drift to the Democrats or uncommitted status cannot be stopped by the past.

"I believe that my background, education, and experience

How To Conduct Meeting To Be Subject of Course

A one session course on "How To Conduct A Meeting" will be held on Wednesday, September 14, at 8 p.m. at the Newton Community Center, 429 Cherry street, West Newton, for all presidents, chairmen, officers-to-be and interested individuals of clubs, organizations and agencies in this area. The course, sponsored jointly by the Newton Community Council and the Newton Junior Chamber of Commerce, was announced by David Berkman and Warren Sylvester, presidents of these two organizations.

ience in business, civic, and political affairs have developed to the point where I can render helpful service to the communities making up the Norfolk-Middlesex senatorial district."

This course is timed to orient new officers and refresh experienced ones to the business of program planning, mechanics of successful meetings, the chairman's job, parliamentary motions and procedure.

Charles H. Morang, one of Newton's aldermen and former parliamentarian of the Newton Junior Chamber of Commerce, will be the instructor for the course, the third of its kind to be held under the joint auspices of the community Council and Junior Chamber of Commerce.

All P.T.A. officers, chairmen and members are urged by Jerome Grossman, P.T.A. Council President, to attend this course. Mr. Grossman, who has endorsed this course, stated that the P.T.A. council this year will not

conduct its own course on this subject.

The session will include a demonstration of parliamentary procedure following the basic presentation. Several members of the Junior Chamber of Commerce will participate in this demonstration.

Another aid for those attending will be a free course outline which contains tips on the mechanics of meetings, an outline of fundamental motions, and a guide to parliamentary procedure.

Great Books Group Meets Tues. Night

Registration opens today at the Newtonville branch of the library for a first year Great Books group, according to A. William Kunkel, Newton Librarian. The group will begin meeting on Tuesday, September 27 at 8 p.m. at the Newtonville Library and will meet there regularly every other Tuesday evening through the year.

Thousands of adults have found that learning to think for themselves by studying Great Books can be fun as well as stimulating. Since 1947 when the Great Books Foundation was incorporated in Chicago as a non-profit organization, groups of 15 to 25 people from coast to coast have been meeting to discuss books written by such authors as Plato, Shakespeare and Thoreau; books as old as the Bible, new as Freud.

They have found that the books deal with basic problems as current and important as when they were written; the problems of justice, happiness, immorality, government, and the nature of man.

There are no educational requirements, and there is no charge for the course. At the first meeting the Declaration of Independence will be discussed. Copies will be supplied at the meeting.

All persons interested in joining the Great Books group may register now by calling Mrs. Sarah Stimpson at the Newtonville branch of the library, BI 4-0520. For further information call Mrs. Arnold Rosoff at DE 2-1843.

TELE-VIEWING THE NEWS

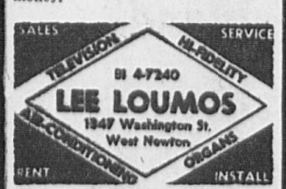

By LEE LOUMOS

Becoming a TV star is usually a long, drawn-out process of calling on casting directors and knocking on agents' doors. But for Bob Newhart, called "the best new comedian of the decade," it just took some phone calls and three months time.

In February of this year, Bob was an accountant in Chicago who made funny phone calls to friends. One friend taped a few. The result was Bob cutting a record album, "The Button-Down Mind of Bob Newhart," which has sold some 122,000 copies. Introduced to national TV three months ago, with such material as a phone call to Lincoln from an imaginary press agent ("Abe, no, no! You were a rhapsodist and THEN an attorney... read the biography we sent ya, will ya?") he was an immediate success. His nightclub fees have soared from \$200 to \$5000 per week, and his fall TV schedule includes guest dates on some of TV's biggest shows, including "The Ed Sullivan Show."

A short trip to stardom, but a deserved one. For as seen on the recent "Emmy Awards," Bob is literally the "new heart" of TV comedy. The "heart" of a TV set is a complicated system of tubes, wires, resistors and condensers. Only a trained expert technician is qualified to service this complex electronic instrument. We have those qualified technicians, and that's why we say, for top service by top servicemen, call us.

And remember, every Friday night from 7:30 to 8:30 is open house for demonstration of the new Thomas choral transistor organ—hear it or play it yourself, you will be amazed at such versatility for so little money.

MEMBERSHIP COMMITTEE — Taking a respite from an important recent meeting, the membership committee for the newly-formed local chapter of the Mizrahi Women's Organization of America. Left to right: William Bernhardt, chairman; Mrs. R. Roseman, Mrs. Raymond Miller, Mrs. Wiight, Mrs. George Shapiro, Mrs. I. M. Swartz, and Mrs. Julius Pollack.

Luncheon Meeting Planned By Mizrahi Women's Group

The newly formed Chestnut Hill Chapter of the Mizrahi Women's organization of America will sponsor a luncheonette meeting next Wednesday afternoon, September 14 at the Sidney Hill Country Club at 1 o'clock.

Mrs. William Bernhardt, of Waban, vice president in charge of membership and chairman of the committee, has extended a cordial invitation to members, and anyone interested in joining, to attend the affair.

A beautiful sterling silver covered prayer book will be presented to all new paid-up members.

Officers pro-tem of the organization include: Mrs. Harry Biederman, president; Mrs. William Bernhardt, vice-president; Mrs. Norton Levine, vice-president; Mrs. Bernard Kupferman, corresponding secretary; Mrs. Charles Segel, recording secretary; Mrs. I. M. Roseman, financial secretary; Mrs. Henry Fine, treasurer; Mrs. Edward, social secretary; Mrs. Noah Solomon, advisor; Mrs. Samuel Rubin is the Boston Council president.

Scene TV Viewers Did Not Watch

There are strange ways of trying to win a bet and two Newton men proved it by starting to climb the 1249-foot WHDH-TV tower in Newton Upper Falls, and had reached about 300 feet from the ground when a police whistle halted the wager.

John J. Smith, 22, of 53 West St., Newton and Joseph B. Hines, 36, of 1012 Chestnut St., Newton Upper Falls, climbed down. They were charged with trespassing. In Newton District Court Hines drew a 15-day suspended sentence and the charge against Smith was continued and he was placed on probation.

Navy Ens. William E. O'Neill, son of Mr. and Mrs. James F. O'Neill of 1724 Beacon st., Newton, is serving aboard the Pacific Fleet attack transport USS Navarro, operating out of Long Beach, Calif.

He reported aboard the Navarro Aug. 1 and was assigned duty as Operations Department Officer. Ens. O'Neill is a graduate of Tufts University.

Scholarship Foundation Plans Big October Drive

The agenda includes final preparation for the October drive. Mayor Donald Gibbs has proclaimed October as Newton Citizens' Scholarship Foundation Month and, as the proclamation states, the "Citizens" should get behind this program so that the community's deserving youth may be aided toward a college education. The mayor also urges all citizens to contribute generously to this most worthwhile cause.

Other outstanding women in Newton in the auxiliary are: Mrs. Irving Helman, Mrs. Donald Gibbs, Mrs. Phillip McNiff, Mrs. Bertram Promboin, Mrs. Robert Goldman, Mrs. Franklin Flaschner, Mrs. Harvey White, Mrs. Edward Green, Mrs. Lawrence Cooke, Mrs. Marshall Sloane, Mrs. Allen Gordon, Mrs. Manuel Andelman, Mrs. Samuel B. Summer roses made a pretty setting for the recent marriage of Miss Nancy R. Nash of 42 Tyler terrace, Newton Centre, to Robert Kershaw of the Back Bay.

Dr. Charles W. Havice, dean of chapel at Northeastern University, officiated at the 7:30 o'clock service in the university's Bacon Memorial Chapel.

IRENE K. THRESHER

Rep. Thresher Seeks Seat In State Senate

Representative Irene K. Thresher of Newton is seeking promotion to the State Senate.

Active in Republican affairs for the past two decades, Representative Thresher is making a vigorous drive for the GOP nomination for the Senate in next Tuesday's primary.

She is standing for nomination in the new Middlesex-Norfolk senatorial district which takes in five wards of Newton and the towns of Dedham, Needham, Wellesley and Weston.

Mrs. Thresher has been a member of the Massachusetts House of Representatives for the past 10 years and before that was a member of the Newton School Committee for 10 years.

She was the first woman to serve on the powerful House Ways and Means Committee and was the first woman to be elected president of the so-called "freshman class" of the House during her first year in that body.

Representative Thresher also has served on the legislative committees on education and public welfare and on recess commissions on public welfare, child adoption, problems of the aging, educational television, a Study of the Blind and a commission on State Teachers Colleges and the Teacher Training Program.

She is vice chairman of the Massachusetts Republican Finance Commission and formerly was vice chairman of the Massachusetts Republican State Committee and president of the Massachusetts Federation of Women's Republican Organizations.

Educated at Vassar College where she received the Bachelor of Arts Degree, Mrs. Thresher also was awarded an Honorary Doctor of Humane Letters by Emerson College.

She is married and the mother of four children, three of whom are now married. Her husband is B. Alden Thresher, Director of Admissions at Massachusetts Institute of Technology.

Representative Thresher is a former president of the Newton League of Women Voters, the Waban Women's Club, the Boston Vassar School, the All-Newton Music School and the Boston Branch of the American Association of University Women.

An unusual pamphlet, entitled "A Parade of Facts," which lists many of the phases of Representative Thresher's busy career, is being distributed in her behalf.

She has been a member of the Republican City Committee in Newton for 20 years, has been a delegate to the last three Republican national conventions, has taken part in numerous char-

table fund-raising drives and has served as chairman of the Red Cross and Home Nursing drives.

In asking support of Republican voters in next Tuesday's primary, Representative Thresher pointed to her long record of public service and expressed the conviction that she has the qualifications to represent the new Middlesex-Norfolk senatorial district in the State Senate.

Rawson Plays Lobby For State Office Bldg. Vote

Rep. George E. Rawson of Newton said today the tactics employed to secure enactment of the State Office Building last week "were certainly devious and to be deplored" and he said "a powerful lobby was at work."

Rawson said he voted against enactment because he felt \$36 million would provide all that was needed at this time to construct the State Office Building and the Dept. of Employment Security Building. The cost of the latter \$10 million would be reimbursed by the Federal Government.

"The rest could wait until the credit position of the Commonwealth improves," Rawson said. "I stated that the taxpayers should be given a break. The vote on enactment was 127 to 81. Since a two-thirds vote is required to enact a bond issue enactment was defeated."

The following day, the Newton legislator said, "a power-

ful lobby was at work. Attaches of the Governor's office and emissaries of the Turnpike Authority certainly 'went to town.' A former legislator whom rumor makes a candidate for executive secretary of the project at \$12,500, was very busy in the House corridor."

Rawson continued: "While he is a good fellow, I doubt that his services are worth that much. The result was that the House reconsidered its Tuesday vote and the bill was enacted by a roll call of 153 to 72. A change of only four votes would have defeated enactment."

"I did not change my vote—voting 'No' both times. I do not switch my vote, and never have reversed my vote on any question. I could not see soaking the taxpayers \$14 million extra. I have never sold the taxpayer down the river and never will."

Michael Galvin Hits "Bossism" In Congress Bid

A highly decorated veteran, who once served as Under Secretary of Labor, today hit out as "political bossism" as being the weak link in the chain of Democratic government.

Brigadier General Michael J. (General Mike) Galvin of Newton lashed into the "Bosses' boys" as he neared the climax of a vigorous campaign for the Democratic nomination for Congress in the 10th congressional district.

Galvin declared that he had been inspired to "go all out for Congress" because the time has come when some of us must sacrifice our personal lives in order to make certain that the country continues to live.

"A policy whereby political bosses can pick their candidates and freeze everyone else out can no longer be permitted to exist," Galvin asserted. "John Kennedy has coined one of the most apt phrases in the history of man with his 'New Frontier' policies. The New Frontier must be manned by men who are unbossed and have no political favors to pay."

A noted nuclear expert and member of the Presidential Commission on Manpower and Defense (he authorized three books on this subject), Galvin served as Under Secretary of Labor from 1949 to 1953 after returning to civilian life from World War II, during which he won 14 combat decorations.

Now a prominent Boston attorney, Galvin is the commanding officer of the 94th Pentomic Reserve Division, in which he served as a private for three years.

"There are two issues at stake here. When John Kennedy becomes President of the United States, he will need men in Congress who have an understanding of defense, of nuclear and space missiles and of foreign affairs. His 'New Frontier' policy cannot succeed — and the United States cannot succeed — unless the old line 'bosses' men' are done away with and government returns to individuals from each state who have the good of the state and the country at heart," Galvin stated.

"Boss politics very nearly ruined the state and the nation," he said. "We are no longer a tight little island in the world of foreign affairs or defense. We can no longer tolerate office-holders who put themselves and their bosses first and the nation second. The time has come for men who have fought for this nation and who have become successes in private businesses to give up some of their privacy in order to lift the nation back into a safe and solid position in this strife-torn world."

after World War II and in the labor ranks, Galvin is a graduate of Northeastern University and its Law School and is President of the Reserve Officers Association and a Director of the Association of the United States Army, a group of civic leaders who have welded together to assist the Army in its defense role. He resides with his wife and their five children at 107 Hobart road, Newton.

Army Pvt. Richard E. Wilk, 22, son of Mr. and Mrs. Stanley J. Wilk of 18 River Ave., Newton, is receiving eight weeks of advanced individual training at the artillery and missile center in Ft. It's School Time! DRIVE CAREFULLY

DRIVE WITH CAUTION

**SAFETY IS YOUR RESPONSIBILITY . . .
WHEN IN DOUBT, "STOP"!**

YOU, nobody but YOU controls YOUR car! If you are involved in an accident . . . if a child is injured or killed . . . YOU are responsible! Remember, children are hasty, unable to exercise judgment, it is up to YOU to watch out for them, to be extra-cautious, extra-alert! YOUR judgment as an adult has qualified you for a driver's license . . . so YOU must accept the responsibility for the safety of our children by taking more than usual care, by being always on the alert! You can NEVER replace a life!

The first rule of safety is . . . SLOW DOWN AND LIVE! Those few extra moments you spend driving slowly may save a child's life, perhaps YOUR own! Be sure your car is in top mechanical condition! Poor brakes and slippery tires can, in an emergency, mean death instead of life! Best of all, learn to understand and obey all traffic laws! They were written for good reason . . . in the interest of YOUR safety and the safety of others!

**REMEMBER SAFETY IS NO ACCIDENT! BE SURE
TO DRIVE CAREFULLY . . . TO PROTECT OUR CHILDREN . . .**

Zamparelli In Strong Bid For District Atty.

Attorney John F. Zamparelli of Medford is waging a strong campaign for the Democratic nomination for District Attorney in next Tuesday's primary.

As he neared the close of his drive today, he directed a series of blasts at District Attorney John J. Droney.

"I have challenged the District Attorney again and again to debate the issues of the campaign with me and to give him an opportunity to answer my charges," Zamparelli declared. "I can only conclude that he cannot answer the charges I have made against him."

Zamparelli said that District Attorney John J. Droney "made no objection when two men sentenced to serve 18 months for extortion were released five days later — but was so shocked and disgusted at the discharge of three bookies within two weeks after they were sent to jail that he took the matter to the State Supreme Court."

For four years a member of the House of Representatives and for six years a member of the Medford School Committee, Zamparelli said he personally had observed instances where the District Attorney's office "made fish of one defendant and foul of another."

Zamparelli is a graduate of Tufts University, Boston College Law School and the University of Notre Dame Midshipmen School. He served overseas in the navy during World War II, participating in the Pacific campaign, and is a past commander of the Disabled American Veterans.

He charged that the "crusade" against bookies and organized gambling in Middlesex County was not started until after U. S. Treasury Department agents "began cleaning them up" — even though Somerville Police Chief Thomas O'Brien asked the District Attorney's Office for help against bookies a year ago last July.

Zamparelli challenged Droney's right to refer to himself as seeking reelection to the office of District Attorney.

"The truth is that he never has been elected to any public office and was appointed prosecutor of Middlesex County only after enormous political pressure was exerted on his behalf," Zamparelli asserted.

Zamparelli said that his crime prevention program calls for flying teams of qualified assistant district attorneys, veteran police officers and experienced educators to visit every school in the county to set up programs aimed at demonstrating to the pupils that "crime really doesn't pay."

Attorney Zamparelli has waged an extremely vigorous and forceful campaign, visiting factories, office buildings, shopping centers and restaurants and speaking at numerous meetings as he pressed his drive for the Democratic nomination for District Attorney.

Crucial Issues Confront U.S. Avers Mulhern

The most crucial issues confronting the United States and the free world today are defense and disarmament, Atty. Joseph J. Mulhern, Jr., candidate for the Democratic nomination in the 10th Congressional District, declared last night.

"This statement may appear, on its surface, to be contradictory," said Mulhern, "but it is actually a sound thesis."

"No progress can be achieved toward the ultimate goal of disarmament until this nation and its allies prove to the Communist directorate that we will remain militarily and economically stronger than they as long as is necessary."

"The cost of a strong defense posture, the candidate stated, is necessarily heavy and will continue a burden upon the taxpayer as long as those nations with world domination as their aim erroneously perceive they can catch us napping. 'We do not intend to be placed in that predicament,' Mulhern asserted.

He proposed that we regard our expensive defense outlay as a "reasonable cost or premium for an insurance policy against the destruction of our civilization."

"Disarmament is only possible when the Kremlin and its Red ally in the Far East realize they cannot possibly take the lead in what would be a never-ending race to arm to the teeth."

"When the Communist world finally comes to that realization, said Mulhern, we can then move realistically toward a measure of true disarmament under proper international control and supervision."

"With that goal achieved we will convert the great power of the atom to accomplish gigantic strides for the peaceful enhancement of the world economy and its beneficial effects upon humanity as a whole."

"Meanwhile our government policy must be realistically set to meet the threat of today. However unpopular and distasteful it may be to tell the voters of the 10th Congressional District that more of

Joseph D. Ward Lists State's 3 Major Problems

Secretary of State Joseph D. Ward, Democratic convention endorsed candidate for Governor today released the text of answers to a questionnaire submitted by the League of Women Voters.

Ward's replies were based on the question posed by the League, "What are the three most important problems facing Massachusetts and what are your solutions to these problems?" Ward replied as follows:

"1. The intolerable tax burden carried by our home owners."

"My solution is offered in the 23-point program which I submitted when I announced my candidacy for governor. Highlights which relate to the lowering of local taxes include the assumption by the state of costs for operating and maintaining all public health hospitals and all public health services, present local public welfare costs, costs of county government and the state to increased aid to public school systems."

"2. The quality of Public Education. 'State aid to local school systems for public education would also help us achieve higher standards of teaching and would enable us both to attract and to keep competent teachers. In the area of higher education I favor increased state aid to the University of Massachusetts to make it the finest state university in the nation. Massachusetts currently is lowest in the nation in the amount of state funds allocated to public higher education."

"3. Morality in government. 'One of the most serious problems we face affects the very foundation of our democratic system...the low regard which citizens have for public officials. The term 'politician' has become one of opprobrium."

"To restore public confidence and respect in our public officials, we must adopt a 'Code of Ethics' which would spell out in detail areas of conflict between public and private interest which arise in the conduct of official duties. This 'Code of Ethics' will protect the citizenry from 'government by favor.'"

"I advocate the creation of a Board of Ethics with authority to investigate any alleged improprieties. This Board would have the power to censure any infractions of the code and recommend dismissal where warranted. This 'Code' will protect dedicated and sincere public officials against unwarranted and slanderous attacks."

our national productivity and income must be utilized in the effort to achieve total dominance in defense for world peace," the candidate stated. "That is the pledge I must present."

Foot care begins with your doctor

Fit Care Begins Here

Only your child's doctor can tell you
what life-long foot problems can re-
sult from ill-fitting shoes! That's why
many doctors send their young patients
to be fitted in fine, true-measured Little
Yankees, the children's shoes our well-
trained fitters take such pride in . . .

whether for a normal, healthy foot or
for correction. (For the latter, doctors
frequently prescribe our Little Yankees
with Thomas Heels.) See your doctor
for advice. See us for a careful fit . . .
and for good shoes, always (from crib
through college)!

Big Turnout-

(Continued from Page 1)

the boundaries of the district in which they are running.

The bid by Representative Thresher for promotion to the Senate has resulted in a fight for the two Republican nominations for the House in the fifth Middlesex district.

Representative Arthur G. Heaney of 300 Dedham street is standing for renomination. In the field against Heaney

are Lorenz F. Muther, Jr., of 44 Roslyn road and Dorothy H. Reed of 50 Fuller street.

In the fifth Middlesex district Representatives George E. Rawson of 22 Marlboro street and John W. Whittemore of 43 Otis street, both standing for renomination in the Republican primary, are being challenged by Alderman Paul S. Rich of 278 Franklin street.

Edward C. Uehlein of 217 Varick road, Newton, is one of five candidates contesting for five nominations for council.

ty commissioner. The other four GOP candidates are William G. Andrew of Cambridge, Carleton R. Leavitt of Natick, Frederick Lowe of Lowell and John J. White of Lowell.

Three candidates are battling for two Democratic nominations for the House in the Fourth Middlesex district. They are Alderman Joseph G. Bradley of 9 Church road, former Alderman Alfred R. Guzzi of 9 Joseph road and Roland A. Barrette of 285 Franklin street.

Richard L. Curley of 109 Waban Hill Road, North, and Irving Fishman of 158 Cotton street are unopposed for the two Democratic nominations

for the House in the fifth Middlesex district.

State Senator Joseph Silvano of Brookline is unopposed for Republican renomination in the Norfolk-Suffolk senatorial district which includes Wards 1, 6 and 7 of Newton.

A stiff fight for the Democratic nomination for the Senate in that district is being waged between Leon Baker of Brookline and John F. Mella of Brighton. Baker is the financial secretary of the Greater Boston Council of B'nai Brith. Mella was the Democratic nominee for the Senate against Mayor Donald L. Gibbs in the 1958 election.

Twenty-nine candidates are involved in a free-for-all battle for two Democratic nominations for county commissioner.

Register of Probate John V. Harvey of Belmont is unopposed for Democratic renomination.

Considerable interest will be centered on the Newton vote in the battle between District Attorney John J. Droney of Cambridge and ex-Representative John F. Zamparelli of Medford for the Democratic nomination for District Attorney.

Candidates for the Republican nomination for District Attorney are George P. Jeffreys of Lowell, James F. Mahan of Cambridge and Richard S. Sanderson of Natick. Tuesday's turnout in Newton should be exceptionally large for a primary, despite the absence of any fights for the top places on the Republican State ticket. Supporters of the various contenders for spots on the Democratic State ticket, who are engaged in energetic drives for their favorite candidates, will help to get out a big vote.

Political activity in Newton will rise steadily in tempo between now and next Tuesday, with scores of meetings and house parties, some of them staged for local candidates, some for men bidding for state-wide offices.

section of advertisements with today's GRAPHIC, make your selections and shop early and often.

Big Brother Bob Emery of Radio and TV fame will entertain young and old at the

Star Market this afternoon at 3 p.m.

And tomorrow, their favorite clown Bozo will regale the kiddies at the Star Market parking lot Friday afternoon from 1:15 to 2:15 o'clock. Autographed photos of BOZO may be obtained at any of the stores participating in the Newtonville Days. Look for the identifying banners.

The Sale Days are sponsored by the Newtonville Retail Division of the Newton Chamber of Commerce.

The merchants participating in the annual event have gone all out to provide the best possible buys for shoppers during this three-day period, Sept. 8-9 and 10.

Buyers have contacted their wholesalers and suppliers to secure scores of money-saving items. Stores have posted large banners calling customers' attention to the bargain sales days.

Nate Lomes of the Walnut Delicatessen is chairman of the Newtonville Division of the Newton Chamber of Commerce, and chairman of

the promotion committee is Charles Fitzgerald, assistant treasurer of the Newton-Waltham Bank and Trust Co.

Washington St., Auburndale, Sunday noon. Mrs. Ruth Silverman, 32, and her sons, Steven 4, and Alan 2, reported injuries. Their home is in Framingham. Drivers of the cars, Leon F. Silverman, and Priscilla D. Stearns, 27, of 73 Hawthorne Ave., Auburndale, were uninjured.

Seven-year-old Joseph Stur-niolo of 37 Smith Ave., West Newton, was knocked to the street when his bicycle collided with an auto at West-land Ave., and Rose Dr., in West Newton, Monday evening. The boy suffered an injured left arm.

A Brighton couple, John T. Daly Jr., and his wife, Ann, both 47 were injured when their car hit a cement abutment on Boylston at Parker St., in Newton Centre late Monday. Daly told police he was blinded by the Sun.

LESLIE B. CUTLER

Senator Cutler Served 22 Years In Legislature

State Senator Leslie B. Cutler of Needham, seeking the Republican nomination in the newly-established Norfolk-Middlesex senatorial District, has spent 22 years of devoted service in the Massachusetts legislature.

Mrs. Cutler, mother of five World War II veterans, has served 12 years in the Massachusetts Senate and 10 years in the House of Representatives. At present she is a member of Senate Committees on Aeronautics, Public Health and State Administration.

"Substance" To Be Subject Of Sunday Sermon

God's promises to mankind are being substantiated today through scientific understanding of Spirit. This is a theme of the Lesson-Sermon on "Substance" which will be read this Sunday at all Christian Science churches.

Experiences of three men who received the fulfillment of divine promises—Abraham, Moses, and Zacharias—will be featured in the Bible readings, which also include this verse from Isaiah: "For the mountains shall depart, and the hills be removed; but my kindness shall not depart from thee, neither shall the covenant of my peace be removed, saith the Lord that hath mercy on thee" (54:10).

Among passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following (49:12): "It is only by acknowledging the supremacy of Spirit, which annuls the claims of matter, that mortals can lay off mortality and find the indissoluble spiritual link which establishes man forever in the divine likeness, inseparable from his creator."

She is a former member and chairman of the Board of Selectmen of Needham, and now is a member of the Board of Health. In 1959 she was appointed by Pres. Eisenhower as a member of the Advisory Commission on Intergovernmental Relations.

Senator Cutler has been instrumental in legislation on Civil Service, Public Health, Public Welfare, Conservation and Aeronautics. She is the only legislator who has paid an official visit to every mental institution in the state.

The new district includes the towns of Dedham, Needham, Wellesley, West and Wards 2, 3, 4, 5 and 8 in the City of Newton.

Mrs. Reed Says Gov't. Economy Should Be Real

Mrs. Dorothy H. Reed, candidate for State Representative from the 5th Middlesex District in Newton, reports that her committee has been working with her tirelessly during this final week of the campaign.

Mrs. Reed has announced that she will be able to give full time to the office of State Representative and that she has no other commitments that would prevent her attending all sessions at the State House.

In her campaign throughout the district, Mrs. Reed has stressed the need for economy in government as a reality, not just a slogan.

She pointed out that there are many areas where expense in government should be explored and wherever possible reduced.

The WARD Program to help Massachusetts Families Move Forward

JOSEPH D. WARD

believes that the family is the fundamental unit of society.

JOSEPH D. WARD

believes that the fundamental role of government is the provision of services which protect the family and offer its members maximum opportunity for progress and prosperity.

JOSEPH D. WARD

believes that government can and must operate in the most economical and efficient manner so that the tax burden on all Massachusetts families shall be reduced.

JOSEPH D. WARD

believes his twenty-three point program will make Massachusetts a better place for all our families. The principal aspects of this program are:

State aid to cities and towns for construction of community parking facilities, loans to be repaid from parking revenues.

Creation of a non-partisan Economic Development Commission to attract new industry, and to provide more jobs.

A Code Of Ethics for public officials.

A Constitutional Convention to effect reform of our State Constitution which can result in an annual saving of fifty million dollars.

Increased state aid designed to raise standards of teaching for all communities and relieve local tax burdens for education.

Scholarship aid to promising students, with planned repayment in cash or services so that no student will be denied opportunity for higher education because of limited family financial resources.

State to assume all costs for public hospitals and public welfare to help reduce local taxes.

Creation of a Family Court System with authority to make judgements and offer solutions in cases of neglect and delinquency, separation and divorce, adoption and guardianship.

James F. Boudreau, Attorney, 4 Wright Street, Cambridge, Mass.

While in London they also visited St. Paul's Cathedral and the Old Curiosity Shop immortalized by Charles Dickens.

Local Air Force Reservist Named 'Airman of Year'

A/3c James H. Curtin, of 42 Auburn Street, West Newton, has been named "Airman of the Year" in the 731st Squadron of New England's only Air Force Reserve flying unit, the 94th Troop Carrier Wing.

JAMES H. CURTIN

When not on active duty with the Air Force Reserve he is a tool and die maker for the Arkless Switch Company. The "Airman of the Year" award is given to the airman who performs his duties in a creditable manner, is dependable and effective in his dealings with others in the Wing. General military bearing, as well as a perfect attendance record are factors given consideration.

LETTERS

Should Be Rejected

EDITOR:
The Newton Graphic:
The proposed ordinance proposed by Alderman Rich, to prohibit the use of power mowers between 9 p. m. and 7 a. m. should be thrown in the waste basket.

I like to hear the whirr of a lawn mower at any time, of day or night. It indicates that the taxpayer wants to keep his property looking nice, not a neglected residence for comments by observationists. If lawn mowers between 9 p. m. and 7 a. m. are objectionable because of noise; then we should have an ordinance to cover or prohibit excessive noise in our buses by school students during certain hours in the morning until certain hours in the evening. I also believe that air planes over Newton at all hours render more noise in one week than all the lawn mowers in Newton in one year. No city ordinance can stop that, and it is positive that many children are awakened by the noise overhead, not on the ground.

If we are to have an ordinance to restrict lawn mowers at certain hours to prevent taxpayers from keeping up with the Joneses; we may look forward to another ordinance to prevent loud snoring at certain hours by the light of the moon or bad weather and if any one is caught snoring in some church pew, the ordinance could specify a fine of 30 days in jail, or both. Eventually, the invention of a "snoremeter" would be needed to record the snorer's tempo to prove that he or she has violated a city ordinance.

If the (Aldermen) have forgotten the dog leash law that has died, it would be constructive to revive it and halt

New Course In Boston Begins On Childbirth

Two Newton women will serve on the Executive Board of the Boston Association for Childbirth Education for the coming year.

Mrs. Giles C. Kelliher, R. N., of 25 Chestnut Terrace, Newton Centre, will continue her six-week course in "natural" delivery; and Mrs. John T. O'Brien of 66 Prescott St., Newtonville, will be publicity chairman.

Mrs. Kelliher is a graduate of the Yale School of Nursing and the mother of five. She holds a Master's Degree in Biology from Brown University and spent several years in maternity nursing at Boston Lying-In Hospital and with the Visiting Nurses Association of Boston.

Mrs. O'Brien is a graduate of Boston University and the mother of four. The Association, which will resume its monthly meetings shortly, is a non-profit, non-sectarian group of parents and professional people interested in making pregnancy, delivery and parenthood a more informed and satisfying experience.

In addition to the natural childbirth course, the group sponsors movies of actual "prepared" deliveries, and talks by doctors and educators on such subjects as breast-feeding, natural delivery, home delivery and infant and pre-school care.

Those interested may call Mrs. Kelliher at LA 7-7793. The Roaming Rovers that are unleashed and are doing more rubbish cans in many places at 6 a. m. in the morning and the taxpayers have to clean up what is not picked up by the city trucks. Also, dogs are running in and out of stores every day.

Also, if the Aldermen (Aldermen) want to help the over-burdened taxpayers, they can take action to work for the passage of legislation in 1961 to give the Mayor and Board of Aldermen control over School Department budgets. It is time for action with a definite halt to the year after year increased costs and soaring taxes without the curb on spending by our School Committees.

Legislation at any hour to keep taxes from going up is more important than regulating the hours of operating lawn mowers.

About Traffic Lights

Editor,
The Newton Graphic,
Dear Sir:
Can anyone find any rational reason as to why there is a red and yellow pedestrian light in each cycle of lights at the Beacon Street-Centre Street intersection in Newton Centre at 11 o'clock at night? I have yet to see a pedestrian anywhere near the intersection and still further, to see anyone who has trouble crossing at a time of night when traffic could hardly be called heavy.

Sen. Cutler Wins Bitter Primary Fight

Whittemore, Rawson,
Muther Are Winners

Thresher Carries City,
Runs Third In District

Representative Irene K. Thresher of Newton failed in her bid for promotion to the State Senate in Tuesday's primary, finishing third behind Senator Leslie B. Cutler and Attorney John S. Bottomly.

Veteran Representative George E. Rawson beat back a challenge by Alderman Paul S. Rich to win Republican renomination for the House of Representatives in the 4th Middlesex district.

Representative John W. Whittemore ran first in the three-cornered race with Rawson and Rich, polling 2639 votes. Rawson was second with 2358, and Rich ran 543 votes behind Rawson, drawing 1815 votes.

Lorenz F. Muther, Jr., executive director of the Newton Taxpayers' Association, proved the top vote-getter in a three-way contest for the Republican nomination for the House of Representatives in the fifth Middlesex district.

Muther received 3216 votes and Representatives Arthur G. Heaney 2865 as the two captured the GOP House endorsements.

Dorothy H. Reed was the runnerup with 1594 votes. Representative Thresher carried Newton in her unsuccessful bid for the Republican nomination for the State Senate in the new Middlesex-Norfolk senatorial district but faltered elsewhere in the district.

Mrs. Thresher topped Attorney Bottomly by 901 votes in the Newton wards included in the senatorial district.

The Garden City gave Mrs. Thresher 2602, Bottomly 1701 and Senator Cutler 1370.

Needham Gives
Cutler Victory

A tremendous showing by Senator Cutler in her home town of Needham, however, assured her of renomination. The totals for the district were 7676 for Senator Cutler, 5291 for Attorney Bottomly and 3357 for Representative Thresher.

Alderman Joseph G. Bradley and former Alderman Alfred R. Guzzi won the Democratic nominations for the House of Representatives in the fourth Middlesex district.

Paul L. Flanagan carried Newton as he gained the Democratic nomination for the State Senate in the Middlesex-Norfolk senatorial district.

Springfield Mayor Thomas J. O'Connor, Jr., led Governor Furcolo by 790 votes in Newton as he scored his spectacular upset.

Former Governor's Councilor Endicott Peabody was the front-runner among the Democratic gubernatorial contenders in Newton, besting Secretary of State Joseph D. Ward, winner throughout the state, by a margin of better than 2-1 in the city.

New School Committeeman Is Approved

Hugh M. Tomb, 40-year-old Newton industrialist of 34 Waterston Rd., was approved unanimously to fill a vacancy on the School Committee at a joint meeting Monday night of the Board of Aldermen and the School Committee.

He was the choice of a special committee to fill the vacancy created by the resignation of John P. Cochrane. Mr. Tomb's name was presented to the meeting by Haskell C. Police Nab Two Girl Burglars

Eight breaks in Newton homes and two attempted breaks were solved, according to police, with the arrest of two 16-year-old girls, both sophomores at Newton High School.

Neighbors spotted the two girls entering the home of Alexander J. Castoldi Jr., at 61 Auburndale Ave., through a rear bulkhead just before 5 p.m. Friday afternoon. The girls were caught in the living room and under questioning admitted they took hundreds of dollars' worth of cash, clothes and jewelry in the eight burglaries.

They were arraigned in juvenile session of Newton District Court on Saturday morning and Judge W. Lloyd Allen continued the case until Sept. 30 with bail of \$2,000 for each girl.

The hunt for the girl burglars began last Thursday after two teen-aged girls were seen running from the home of Mrs. Sidney Drooker of 15 Clements Rd., Newton, just

Donna Debris Collections On Regular Days

Mayor Donald L. Gibbs advised Newton residents today that debris from Hurricane Donna will be picked up on regular rubbish collection days. He advised residents to place brush on the outer edge of their sidewalks fronting their premises "only on regular collection days."

"Brush and branches," the mayor said, "must be firmly tied in bundles not over four feet long and not over four feet in circumference or in containers. City trucks will collect such material on the day your collection is scheduled."

No Deaths Or Injuries But Some Flooding

The Newton area is practically back to normal today in the wake of the 3 to 6 p.m. blitz by Hurricane Donna on Monday afternoon which whisked by without causing any personal injury or death, but did considerable property damage.

Business as usual was reported in the city's industrial plants Tuesday.

The greatest discomfort was the loss of electric power and telephone service. But officials stressed that Newton was fortunate in having escaped the frontal blow of the season's first tropical punch.

All agreed it could have been worse. Highlights of the hurricane were:

- Three brothers found safe in anchored cruiser;
- One-third of Newton's homes and businesses were without power from five to 12 hours;
- Approximately 1,000 telephone subscribers without service;
- Dozen streets impassable for short periods due to clogged catch-basins;
- Scores of trees, poles and tree limbs felled;
- Roofs damaged and four reports of bashed-in plate glass windows;
- High school and junior high school opening delayed one day;
- Emergency agencies found "more alert than action."

200 New Teachers Get Warm Official Welcome to Newton

Newton officialdom headed by Mayor Donald L. Gibbs, and the members of the PTA Council in charge of President Jerome Grossman joined forces with the Teachers Association last Thursday afternoon to extend a warm welcome to 200 new teachers in the city's public school system.

"This is one of the finest things that ever happened in the history of Newton," said Mayor Gibbs as he greeted the new teachers and their hosts and hostesses at City Hall.

Orientation for new teachers has been held yearly by the Newton Teachers Association and the Newton School Department, but this is the first year that the PTA Council has participated by escorting the new teachers on a tour of the city. Hospitality was extended at

the historic Jackson Homestead where refreshments were served including pink lemonade brewed in the famous antique punch bowl. A coffee break was enjoyed at the Meadowbrook Junior High School. Leaving Meadowbrook Jr. — 200 TEACHERS —

Great Problems Confront Top Democratic Candidates

Several big questions now confront the top Democratic office-seekers and the Democratic party in Massachusetts in the wake of Governor Furcolo's astonishing defeat for the nomination for U. S. Senator.

One is whether the Democratic party after rejecting a Democratic Governor in a primary and, in effect, repudiating his administration, can come back eight weeks later to win an election.

A second is whether Secretary of State Joseph D. Ward, Democratic nominee for Governor, can close the wounds and breaches which were opened in the Democratic party by the bitter fight in which he won the gubernatorial endorsement.

A third is whether youthful Springfield Mayor Thomas J. O'Connor can rally a united Democratic party behind him for his November battle with U. S. Senator Leverett Saltonstall.

Under ordinary circumstances the odds would shape up as extremely heavy against both Ward and O'Connor after Democratic voters have recorded such strong dissatisfaction with the administration of a Democratic Governor.

But with Senator John F. Kennedy the Democratic nominee for President, ordinary conditions will not prevail in Massachusetts between now and Nov. 8.

Three Newton brothers feared lost during the height of the hurricane were found safe aboard their 26-foot cruiser "Lisa" at a Saugus landing. Aboard were John 24, Donald, 14 and Stephen, 13, sons of Mr. and Mrs. Charles Cassidy of 89 Hunnewell Ave.

The brothers had sought to move the cruiser to a safe haven and were unable to get off when the storm hit, so they rode it out all night. They were cold and hungry, but safe when found just as a Coast Guard helicopter and surface craft were beginning a search.

All municipal agencies were fully mobilized in Newton long before Donna was due to arrive. These included police and fire departments, the Civil Defense, Red Cross, auxiliary police and fire fighters and even Fox Scout Explorers to act as messengers.

Mayor Donald L. Gibbs authorized department heads to dismiss all except essential employees at 2:30 p.m. Monday. Most firms in the city did likewise. Schools were closed, although elementary grades had not been scheduled to open until Wednesday because of Tuesday's primary voting.

Thus the high school and junior high school opened on Tuesday morning.

Fully one third of Newton was without power because of the hurricane.

The Boston Edison Company explained that falling tree limbs and trees were principal sources of trouble in many localities. Tree removal crews had to be called to remove the obstruction before line-men could go to work to repair the broken lines.

Edison serves 40 cities and towns, and approximately 16,000 customers were without power for a considerable time. Some 600 out-of-state linemen, some from as far away as Michigan and Ohio, were flown into Boston to aid in the repair work.

By mid-afternoon Tuesday only five per cent of the homes which lost power faced a second night of darkness.

Newton-Wellesley Hospital lost Edison power at 6 p.m. Monday but switched to its own emergency power supply. Edison power was restored at 1:30 a.m.

The N. E. Telephone & Telegraph Co. reported approximately 1,000 subscribers in the Newton area had been

silenced by the hurricane, and repair work progressed satisfactorily throughout Tuesday. Repair and cleanup crews from the highway department and other agencies were out at dawn and by nightfall Tuesday only few vestiges of the storm remained in the Garden City.

Police reported receipt of some 400 telephone calls Monday afternoon and evening reporting fallen trees, poles and flooding. The floods were at low intersections where clogged catchbasins backed up the several inches of rain which fell before Donna veered inland over Bridgeport, Conn., and headed inland.

As soon as the rain stopped the water level fell at the brook near City Hall, near Woodland Golf Club, at Paul and Center Sts., near Crystal Lake, at Commonwealth Ave., and Auburn, and at Center St., at Sacred Heart College.

Police also counted exactly 42 calls reporting fallen trees. Civil Defense Director Leigh G. Packer and four radio men under Allan Burke remained at CD headquarters until the emergency was over. The Red Cross Disaster unit under John James and Harold Horn was mobilized in Newtonville, was ready to provide shelter, food, cots, etc., but was not called upon.

They also had an emergency power source, but did not lose their electricity.

Despite the strong winds which still prevailed in the evening and darkened streets, the Board of Aldermen and the School Committee met Monday night in the finance committee room with illumination furnished by an emergency generator. Even the two women members of the School Committee, Mrs. Genevieve R. Onoley and Mrs. Grace C. Whitmore braved the elements.

Midway through the Aldermanic meeting the emergency generator failed and flashlights were pressed into service.

Newton's elementary schools were kept closed Tuesday, by prior plan, because of the primary voting. Police Chief Phillip Purcell proposed the Wednesday opening in the interests of child safety. The voting created congestion and a safety problem near the schools, he said.

The high winds set off false burglar alarms in half a dozen companies.

Winds smashed plate glass windows at the B. S. Edwards Co., 1353 Washington St., West Newton; Shafra's Super Market, 330 Walnut St., Newtonville; West Newton Motor Mart, 1203 Washington St., and John's Barber Shop, 10 Lincoln St., Newton Highlands.

Newton's two National Guard units, Companies B and C, First Battle Group, 220th Infantry Division, reported nearly 100 per cent to a mobilization order.

Fire Prevention Week Is Oct. 9

The Newton Chamber of Commerce announces it again will co-operate with city officials and the Newton Fire Department in observance of the 1960 Fire Prevention program, which Pres. Eisenhower has proclaimed for the week of Oct. 9.

In his Proclamation, President Eisenhower stated, "I call upon our people to promote programs for the Prevention and Control of fires; and I urge state and local governments, the American National Red Cross, The Chamber of Commerce of the United States, and business, labor, and farm organizations, as well as schools, civic groups, and public information agencies, to share actively in observing Fire Prevention Week."

"Club 88" To Start Season

Mrs. Sylvia Doress announced this week that her well known Club 88 is starting its 1960-61 season of the piano.

Mrs. Doress is planning an interesting schedule of meetings to include the great musicals of Gershwin, Rogers and Hammerstein, Kern, Loewe and Lerner, Gilbert and Sullivan and others.

Members will play piano excerpts from the musicals and operettas. Mrs. Doress said this week that these gatherings add much interest among club members and that having a definite playing goal for these programs occurring every eight weeks, builds poise and confidence that a "once a year" recital could never accomplish. Achievement awards are presented in June to those members who fulfill their requirements in technique, harmony, sight reading and repertoire.

Classes are provided for the Nursery, Kindergarten and all grades through the High School. Two adult discussion groups meet under the plan from 11:30 to 12 noon, one for parents taught by Dr. Uhlinger, the other for adults,

taught by the Rev. Mr. Walter Voll of Newton.

Of significance, according to Mrs. Latona and Dr. Uhlinger, is the participation of the children and youth in congregational worship with the adults for twenty minutes of "togetherness."

On this Sunday, September 18, the program will begin for the first time this season, with a dedication service for the

teaching staff of the Church School and the enrollment of children and youth in their classes. The sermon will be: "Making Religion Real through the Family." The Chancel Choir will sing the anthem.

Elections And Stock Prices

What happens to the stock market in Presidential election years?

That's an interesting question, in view of the fact that more than 12 million people now own stocks and the number is steadily increasing. However, a clearcut answer simply is not possible. The Exchange magazine, in a study of market performances in 1940, 1944, 1948, 1952 and 1956 finds nothing that would establish an overall election year pattern.

In 1940, by way of example, war developments dominated the market and the year's low was reached in the grim days of mid-June. Recovery set in and lasted until President Roosevelt's re-election for a third term. The market dropped briefly, then leveled.

In 1944, it advanced, only to take a momentary dip after Mr. Roosevelt's fourth-term victory. Then it picked up a little steam.

In 1948, there was a sharp decline after Mr. Truman's victory. In 1952, by contrast, President Eisenhower's win had no immediate effect on the market. But a recovery that had started that May gained momentum and the market closed at the year's high.

Prices declined after Mr. Eisenhower's re-election in 1956. But a rally got underway within a few days and lasted until the end of the year.

This is certainly a mixed pattern. The Exchange sums up by saying that the market is influenced more by deep-seated economic factors than by political considerations. The latter may have an effect, but it seems to be a minor one in the long-term view.

Political Highlights

(Continued from Page 1)

The Kennedy-Nixon battle, which will command increasing public attention in the coming weeks, to some degree, at least, will dull the memory of the surprising Bay State primary.

Even in a ballot-splitting state such as Massachusetts, Kennedy also is certain to generate a Democratic tide of some proportions and provide some coattail support for Ward, O'Connor and the other members of the Democratic State ticket.

Whether Kennedy's presence on the ballot will be enough to offset other factors detrimental to the Democratic cause is something only time will determine.

The only safe observation which can be made at this time is that the coming election campaign in Massachusetts will be about as exciting and interesting as the Commonwealth has seen in a long time.

Political pundits will spend long hours pondering over Governor Furcolo's defeat and in trying to come up with the reasons for it.

A strange thing is that carefully conducted polls and surveys indicated that Ward would win the nomination for Governor, that Peabody would be second and that Lieutenant Governor Robert F. Murphy and State Treasurer John F. Kennedy would make disappointing showings.

But the surveys so accurate in the case of the gubernatorial race did not detect the political disaster which awaited Governor Furcolo on Tuesday.

Without detracting from O'Connor's sensational victory, it can be fairly said that he won on a great wave of anti-Furcolo sentiment, not on any positive surge of support for him.

Why did the anti-Furcolo wave develop? A general answer is that there clearly is widespread dissatisfaction among Democratic voters with Furcolo's administration as Governor for the past two years.

The disclosures stemming from the MDC investigation undoubtedly hurt Furcolo severely. They may well have been the single most important factor militating against him.

Furcolo's failure to put on a real primary campaign also may have contributed to his defeat.

He is an extremely effective campaigner. If he had taken to the stump and to television, fought it out with O'Connor and answered the questions in the minds of the people, the outcome might have been different.

Instead, Furcolo gambled that he could defeat O'Connor without waging a campaign in the accepted sense of the word, and he lost his gamble.

From the standpoint of cold politics O'Connor still faces the problem of selling his candidacy to the people of Massachusetts. He won the primary on anti-Furcolo votes. He can win the election only on pro-O'Connor votes.

One of O'Connor's problems also will be whether Furcolo's disappointed followers will swing behind him in the election campaign.

Secretary of State Ward proved himself a good campaigner in winning the Democratic nomination for Governor. He displayed balanced strength and excellent organizational ability.

He's now the new leader of the Democratic party at the state level in Massachusetts. To him will fall the task of pulling the various elements of the party together for the final election drive. It will not be an easy undertaking.

Ward will face a formidable adversary in John A. Volpe who has been building his fences and marshalling his support while the Democrats have been clobbering each other with verbal brickbats.

Two outstanding young leaders — Boston City Council President Edward F. McLaughlin, Jr., of Jamaica Plain and Governor's Councillor Augustus G. Means — will wage an interesting fight for the right to serve as Lieutenant Governor. McLaughlin proved himself in gaining the Democratic endorsement Tuesday.

Two other bright young figures on the Democratic

"Honey! He said his first words—He said, 'Faster, Stupid!'"

State ticket are former Suffolk County Assistant District Attorney Kevin H. White, the nominee for Secretary of State, and Representative John T. Driscoll, the Democratic choice for State Treasurer.

White had to come from behind to win his three-cornered race, but he had the basic strength across the State to do it. His triumph was especially pleasing to his followers because his father, City Councillor Joseph C. White of West Roxbury, who was expected to be the bulwark of his campaign, has been in the hospital since the close of the Democratic national convention last July.

Attorney General Edward J. McCormack, Jr., and State Auditor Thomas J. Buckley stand out as the strong men of the Democratic ticket.

Here's how the state-wide election fights now shape up:

For U. S. Senator Republican Leverett Saltonstall against Democrat Thomas J. O'Connor, Jr.

For Governor — Republican John A. Volpe versus Democrat Joseph D. Ward.

For Lieutenant Governor — Republican Augustus G. Means against Democrat Edward F. McLaughlin, Jr.

For Attorney General — Democrat Edward J. McCormack, Jr., versus Republican George Michaels.

For Secretary of State — Democrat Kevin H. White against Republican Edward W. Brooke.

For State Auditor — Democrat Thomas J. Buckley versus Gardner B. Wardwell.

For State Treasurer Republican Walter J. Trybulski against Democrat John T. Driscoll.

A strange sidelight to Tuesday's primary was that the only candidate endorsed by the Democratic State Convention in June who failed to win nomination was the man considered the most certain winner of all — Governor Furcolo.

Letter of Appreciation

The Editor,

Dear Sir:

As Registrar of Motor Vehicles and Chairman of the Massachusetts Highway Safety Committee, of which His Excellency Governor Foster Furcolo is Honorary Chairman, I wish to express my thanks to you and the personnel of your staff for the wonderful cooperation extended in behalf of official traffic accident prevention programs over the recent Labor Day week end.

Once again, because of your splendid participation the general public was forcefully alerted to the urgent need for compliance with suggested safety practices designed to prevent traffic accidents and reduce deaths on the highways. Exemplary behavior of motorists and pedestrians in helping control vehicle operation and regulating foot travel was undoubtedly due in great measure to your generous public service contributions.

All other members of the Committee join me in offering highest and well deserved commendations to you and your associates.

Most sincerely,

Clement A. Riley,

Registrar
Chairman, Massachusetts
Highway Safety
Committee

Much Interest Shown in Great Books Meeting

Mr. A. William Kunkel, Newton librarian, has announced the formation of a Great Books discussion group to begin on Tuesday, September 27 at 8:00 p.m. at the Newtonville branch of the library. The discussion group will meet every two weeks and will discuss a new book at each meeting.

The reading list will include books by such authors as Plato, Shakespeare, Thoreau, and Tolstoy—classics that are the perennial best sellers because they work for all men in all times.

Responsibility for leadership of the group will be shared by Irving Sanders, 131 Waban Hill Road and Robert Schneider of 4 Harrington street. Both Mr. Sanders and Mr. Schneider have had many years of experience in leading Great Books group. Sessions are not "taught"—the great books are the teachers. Leaders do not supply the answers—the participants do. This technique makes it absolutely necessary for everyone in the group to think for himself.

"This opportunity for a free liberal education is open to all adults in the community," Mr. Kunkel stated. "There is no tuition and no educational requirements." He added that "the sessions are not by any means book reviews, but extremely lively discussions of contemporary issues grounded in the great ideas of our past."

Persons interested in joining the Great Books group may register now by calling Mrs. Sarah Stimpson, Newtonville librarian, at BI 4-0520. For further information call Mrs. Arnold Rosoff at DE 2-1843.

It's School Time! DRIVE CAREFULLY

DRIVE WITH CAUTION

**SAFETY IS YOUR RESPONSIBILITY . . .
WHEN IN DOUBT, "STOP"!**

YOU, nobody but YOU controls YOUR car! If you are involved in an accident . . . If a child is injured or killed . . . YOU are responsible! Remember, children are hasty, unable to exercise judgment, it is up to YOU to watch out for them, to be extra-cautious, extra-alert! YOUR judgment as an adult has qualified you for a driver's license . . . so YOU must accept the responsibility for the safety of our children by taking more than usual care, by being always on the alert! You can NEVER replace a life!

The first rule of safety is . . . SLOW DOWN AND LIVE! Those few extra moments you spend driving slowly may save a child's life, perhaps YOUR own! Be sure your car is in top mechanical condition! Poor brakes and slippery tires can, in an emergency, mean death instead of life! Best of all, learn to understand and obey all traffic laws! They were written for good reason . . . in the interest of YOUR safety and the safety of others!

TELEVIEWING THE NEWS

By LEE LOUMOS

For human beings and automobiles, most of us believe in regular check-ups. Applicable to both systems are these facts . . . they can get out of tune, run down, with some of the parts not functioning properly. The regular check-up smooths out these things and detects signs of real problems before they develop. So why not have a regular check-up for TV sets, too? For they can get "out of alignment," just like cars and people. Things like focus, brightness and contrast, horizontal and vertical centering of the picture can need adjustment. Sound and picture synchronization can get out of line.

Another factor contributing to less enjoyable television can be dirt. Without your realizing it, your picture can become clouded over, for the face of the picture tube attracts dust, like a magnet pulls iron filings. The screen often becomes dim and gray. Usually, unless you have a removable safety glass, the whole TV chassis has to be removed to clean the picture tube . . . and this is definitely a job for an experienced technician. So don't always wait for big trouble before having your set looked into . . . if it's been operating a long time without service, let us check, clean and adjust it. You'll be amazed at the improved performance.

And remember, every Friday night from 7:30 to 9:30 is open house for demonstration of the new Thomas choral transistor organ—hear it or play it yourself, you will be amazed at such versatility for so little money.

Cutler Wins-

(Continued from Page 1)

McCormack, Jr., unopposed for Democratic renomination, polled a tremendous complimentary vote in Newton. Boston City Council President Edward F. McLaughlin, Jr., Democratic nominee for Lieut.

Governor, and State Auditor Thomas J. Buckley also piled up big vote totals in the city. Michael J. Galvin of Newton made a good showing here in his unsuccessful bid for the Democratic nomination for Congress, drawing 2894 votes to 1923 for Joseph M. Cohen and 1573 for Joseph J. Mulhern, Jr. Mulhern,

SEN. LESLIE B. CUTLER

however, swept to a convincing victory in other parts of the congressional district and will oppose Congressman Laurence Curtis in the November election.

Droney Top In D. A. Campaign

District Attorney John J. Droney, in achieving the Democratic nomination for the office to which he was appointed following the resignation of James L. O'Dea, Jr., outran Representative John F. Zamparelli of Medford more than 2-1 in Newton.

John F. Melia of Brighton topped Leon Baker by 361 votes in Newton in his bid for the Democratic endorsement for the State Senate in the Norfolk-Suffolk senatorial district.

James F. Mahan carried Newton in the fight for the Republican nomination for District Attorney, with Richard S. Sanderson second and George P. Jeffreys third.

Edward C. Uehlein of Newton was high man in the city among the Republican can-

didates for County Commissioner.

Top Republican vote-getter in Newton was popular Congressman Laurence Curtis. He ran ahead even of Senator Leverett Saltonstall and John A. Volpe, GOP nominee for Governor.

Saltonstall Gets Slight Cutting

One of the surprise developments on the GOP side in Newton was that Saltonstall apparently suffered a slight cutting even though his name was listed first on the ballot.

Here are the complimentary vote totals for the leading Republicans: Curtis, 7700; Volpe, 7641; August G. Means, GOP nominee for Lieutenant Governor, 7628; George Michaels of Newton, Republican candidate for Attorney General, 7568; and Senator Saltonstall, 7558.

Approximately one-third of the registered voters in Newton went to the polls for Tuesday's primary.

A total 15,214 Newtonites cast ballots, 8171 of them Republicans and 7043 Democrats. The turnout obviously was held down by Monday's hurricane.

RETIREES HIMSELF—Chief Yeoman John E. Sampson, of Newton, shown as he types out his own retirement papers at South Weymouth Naval Air Station, after 20 years in Uncle Sam's Navy. (Navy photo)

Navy Chief Makes Out Own Retirement Papers

John E. Sampson, of 163 Pearl street, Newton, a Chief Yeoman in the U.S. Navy, and a 20-year career man with Uncle Sam's sea forces, has retired after the two decades of naval service.

In his capacity as yeoman, the Newton navy man made out his own retirement papers from the South Weymouth Naval Air Station.

Chief Sampson, who climaxed his career just three months prior to his discharge by making the coveted "Chief's Hat" in his advancement from Yeoman First Class to Chief Yeoman, first donned the Navy blues on April 2, 1940.

In June 1940 he was assigned to the USS OVERTON (DD239) for duty, serving in the Atlantic and the Caribbean on anti-submarine "Hunter-Killer" strikes.

In December 1943 he was transferred to the USS MEADE (DD-693) and saw service in the Asiatic-Pacific Theatre of Operations, until March 1945, serving with the U.S. Fifth and Seventh Fleets. He participated in the Philippines Liberation, Iwo Jima and Okinawa Campaigns, and strikes on the Japanese home islands.

He received his discharge from the Navy at the end of World War II, in the summer of 1945, and the following year, June 1946, enrolled in the Naval Air Reserve TAR "stationkeeper" Program at the former Naval Air Station, Squantum.

On December 4, 1953 when NAS Squantum—the Birthplace of Naval Aviation—was decommissioned, Chief Sampson transferred to South Weymouth with the air station facilities.

He plans to enter Suffolk University this fall to study Business Administration, majoring in Management.

Chief Sampson has three children: Ann Cheryl, age 16; John E., Jr., age 12; and Ruth E., age 10.

He is a member of the Eugene J. Daley, Jr. Post 2384 Veterans of Foreign Wars; the Newton YMCA; and the Campion Club (Jesuit Foreign Missionary).

Red Cross Plans Home Maker Course

The Family Service Association announces that the Newton Red Cross has offered to conduct a course in Home Care of the Sick, Mother and Baby Care in October if enough women in Newton are interested.

There would be no charge for the course and no obligation, but the Family Service Association pointed out that many homemakers have found this course helpful and stimulating.

The announcement was coupled with a request from the Family Service Association's Homemaker Service Department in cooperation with the Newton Community Council for mature women who would be available as either full time or part time homemakers.

Such emergency homemakers are paid \$1.25 per hour, plus carfare, and are covered by Workmen's Compensation. Further information may be obtained from Miss Elizabeth Goodwin, Homemaker Service Department, LA 3-6400 or Mrs. Raymond W. Blaisdell, 115 Pine Ridge Rd., Waban, DE 2-9344.

Newton Rabbi Headed N. E. Youth Conclave

Rabbi Murray I. Rothman, spiritual leader of Temple Shalom of Newton, was dean of a conclave of the New England Federation of Temple Youth which just concluded sessions at Camp Tevya in Brookline, N. H.

Its theme was "Issues of Faith". The four major delineations of the theme concerned themselves with the confrontation between Judaism and secularism, Christianity, science and Judaism's analysis of its own differing religious philosophies.

The lecturers included Rabbi Rothman of Newton, Bruce Ehrmann of Brockton, Sanford Shapera of Bridgeport, Conn., and Mr. Jackson L. Parker of Newton. Rabbi Roland Gittelsohn of Temple Israel, Boston delivered the keynote address and Rabbi Alexander Schindler was the director of the conclave.

The New England Federation of Temple Youth is an arm of the New England Region, Union of American Hebrew Congregations, the parent body of the Reform Temples throughout the United States and Canada.

SCHOLARSHIP MONTH—Mayor Donald L. Gibbs signs his official proclamation marking October as "Newton Citizens Scholarship Foundation" month. Taking part in ceremony in Mayor's office are, left to right, Mrs. Irving Feinzig, Sherwood J. Tarlow, Lawrence E. Cooke, and Mrs. Jack Roberts.

Scholarship Foundation Month Is Named By Mayor

Mayor Donald L. Gibbs has proclaimed October as "Newton Citizens Scholarship Foundation" month. The signing of the proclamation took place at City Hall this week with officers of the Scholarship Foundation present.

Those present were, Sherwood J. Tarlow, chairman of the foundation; Lawrence E. Cooke, trustee; Mrs. Irving Feinzig and Mrs. Jack Roberts, co-chairmen of the women's auxiliary of the scholarship foundation.

Mayor Gibbs' proclamation emphasized the excellence of the Newton system of education and the dedication of the scholarship foundation in working to provide financial assistance to needy students who wish to further their education beyond the high school stage.

The Newton Citizens Scholarship Foundation provides this assistance to qualified graduates from the city's public and parochial high schools. A campaign is now underway to help secure additional funds to help the organization's scholarship program.

200 Teachers-

(Continued from Page 1)

High School, the tour made two stops: the first was at City Hall where the group was welcomed by the Mayor and Jerome Grossman, president of the P.T.A. Council; the second was at Jackson Homestead where the group was shown through the house by Mrs. F. Leslie Ford, chairman of the Board of Trustees, Miss Jane Wyman, Miss Adelaide Ball, and Hazel Sears, executive director. Mrs. Louis Homonoff served pink lemonade in the Homestead's antique punch bowl.

Accompanying the buses were the following parent guides: Mrs. Robert B. Hull, Chief Guide; Mrs. Beckett Jones, Mrs. Edward V. Hickey, Mrs. T. Tyler Parkhurst, and Mrs. Grace C. Whitmore.

The newcomers were favorably impressed with Newton and Newton hospitality. "I don't know of another community that puts itself out like this for its teachers," said one young lady from Houston, Texas. Another teacher said she had been living in the city for four and a half years, but this was the first time she had really seen Newton. "This tour is the first time the butterflies stopped flying around in my stomach. I can finally relax," was the grateful comment of another young teacher.

Arthur Snyder, a Harvard Newton internee from Larchmont, New York, felt the trip was "terrific, wonderful, very stimulating. Gives you an idea of the cultural and historical background. Good reminder of the past." He felt also that the tour had praiseworthy social aspects. "Getting together and piling into a bus is a good thing."

The School Community Relations Committee of the Newton P.T.A. Council was responsible for organizing the tour. The committee included Mrs. Homonoff, chairman, Arthur Laughtland, principal of Hyde School, Division of Instruction, Photography, Miss Fro Georgas, Teachers Association, Consultant, Mr. Grossman, adviser, Mrs. Hull, Chief Guide, and Mrs. Newton Press publicity.

On the tour were teachers that Newton attracted from states as far away as California, Georgia, Florida, Texas, Tennessee, Illinois, and Oregon. From foreign countries came Nevelle Drohan from Victoria, Australia, and Frederick Jacobs from Bourne-mouth, England.

Opposition Voiced On 5 Petitions

Arguments for and against a change in zone to permit construction of a two-story medical building in the Stanton ave. area near the Newton-Wellesley Hospital were under study today.

The Newton Planning Board and the Aldermanic Claims and Rules committee reserved decision following a public hearing at City Hall on Monday evening on the petition to change the area from Residence A to Residence E for the medical office building.

Many of the 37 residents of the area who opposed the petition were represented by John R. Carney who contended that "spot" zoning was involved. He suggested that an office building could be constructed on the grounds of the Newton-Wellesley Hospital.

This was one of five petitions which were opposed at the public hearing, conducted by Chairman Harry H. Ham of the Aldermanic Claims and Rules Committee.

Previous plans for the medical center envisioned construction of several apartment

City's Voting Strength May Reach 50,000 Tally For November Election

October 7th Is Deadline For Registering To Vote

Only a little more than two weeks remain in which Newton residents may enroll as voters for the important Nov. 8 election, City Clerk Monte G. Basbas pointed out today.

Basbas emphasized that the registration of voters will end at 10 p.m. on the night of Friday, Oct. 7 (two weeks from tomorrow) and that the voting rolls will be closed at that time.

Persons who are not enrolled as voters at 10 p.m. Oct. 7 will be ineligible to cast ballots in the coming State and national election, he declared.

Registration of voters is now being held from 8:30 a.m. to 4:30 p.m. at the city clerk's office on the ground floor of City Hall.

City's Dental Health Program Is Acclaimed

Newton's comprehensive dental health program was studied and acclaimed at the recent meeting of the Mass. Public Health Association held at the University of Massachusetts at Amherst.

Health Director Dr. Harry T. Phillips, and Robert Kirschbaum, D.D.S., staff dentist, and Mrs. Dorothy Bourdeau, R.H.D., staff dental hygienist, were panelists at the meeting.

The subject of discussion presented by the Dental Health Section, of which Dr. Kirschbaum is chairman, was "A Case Study — A Community Dental Health Program."

Newton maintains a dental staff consisting of three part-time dentists, two full-time dental hygienists, and a full-time dental assistant. The public health nurses contribute to the program through contact with parents and school personnel. The dental clinic is located in the basement of city hall.

Ten sessions are conducted weekly during the school year at which routine operative dentistry is provided. During the school vacation, the dental hygienists perform dental prophylactic work.

Gibbs Favors MTA Fringe Assessments

Mayor Donald L. Gibbs of Newton agrees that a revision should be studied for assessment of the MTA deficit but opposes a formula based on population. He suggested some of the deficit should be borne by fringe communities whose residents use the MTA.

The proposal for a population formula was advanced by Boston Mayor John F. Collins at a meeting Monday of the Greater Boston Chamber of Commerce and the Executives Club at the Somerset Hotel, which Mayor Gibbs attended.

The new general manager of the MTA, Thomas J. McLernon, told the group the Highland Branch line of the MTA must be improved so faster and more frequent service will attract a three-fold increase in passengers.

The burglary was under investigation by Sgt. Walter D. Drew, Inspector Richard J. Bagley and Patrolman William C. Nally.

Vice Pres. Nixon To Invade Stronghold of Sen. Kennedy

Vice President Richard M. Nixon next week will invade the Boston stronghold of his Democratic adversary, Senator John F. Kennedy.

It probably will be the only visit Nixon will make here during the campaign, and there is widespread speculation as to the reception he will receive in Kennedy's home state.

Nixon is coming to speak at a big \$100-a-plate Republican fund-raising dinner to be held on Thursday night at the Commonwealth Armory.

The realistic, politically astute Nixon undoubtedly has no illusions about his prospects of carrying

Angier School Exchange Opens Next Wednesday

The Angier School Exchange will open for selling next Wednesday, September 28, from 10:30 a. m. to 3:30 p. m., at 1697 Beacon Street, Waban.

It will be open on all succeeding Wednesdays during the school year with the exception of the vacation periods.

The exchange, an organization of volunteers from the Angier and Beethoven schools in Waban, reports a record total volume of over \$14,000 in sales for the year 1959-60.

Of this amount, 80 percent was turned back to the consignors. After deduction of operating costs, the remaining 20 percent was allotted as gifts to the two schools on a per capita basis of \$2.00 per student. A scholarship of \$500 was also awarded to a deserving Waban student.

Mulhern Opens Campaign For Congress Post

Attorney Joseph J. Mulhern, Jr., who won the Democratic nomination for Congress in the 10th district in last week's primary, declared today that he intends to pursue the election campaign on the basis of issues.

Mulhern charged that the prime issue is that "the Republican incumbent of the 10th congressional seat is a confirmed stand-patter blocking the path to progress."

"Unless the present Congressman, who for eight years has been devoid of accomplishment for our district or our nation, presents his record to the people, I intend to open it to public exposure," Mulhern stated.

"The interests of every section of the district ranging from the Back Bay through Roxbury, Jamaica Plain, West Roxbury, Brighton, Brookline and Newton are basically the same," Mulhern asserted. He cited as improvements beneficial to every area of the Tenth District an expansion and intensification of Federal slum clearance and urban redevelopment, a civil rights program even broader in scope than that now in operation, a realistic plan to bring medical assistance payments to the elderly under the social security system.

On the frontiers of national and foreign affairs, Mulhern pledged to concern himself to restoring the United States as the nation leading the world toward the goals of international peace and its companion achievement — disarmament with strict controls for inspection and supervision.

"The defense posture of this nation is dangerously sagging because of the refusal of the present national administration to take a realistic view of the deteriorating world situation," Mulhern asserted.

"My opponent, the Republican Congressman in this district, has seen fit to follow the dictates of this administration in stubborn, blind partisanship to the detriment of our citizenry," Mulhern stated.

"I am asking the voters of the Tenth Congressional District to reverse this policy of stand-patting and send me to Congress to represent the overwhelming sentiment of the people for aggressive, progressive government," Mulhern concluded.

Temple Emanuel To Conduct High Holy Day Ritual

Impressions of the State of Israel, its institutions and its citizens, gained from a visit to the country this past summer as well as the Rabbi's opinions concerning the role American Jews should play vis a vis Israel will be the theme of Dr. Albert I. Need For Homemaker Services Stressed In Member Campaign

The demand for Homemaker Service in Newton cannot be met with the present staff of homemakers, according to an announcement by Mrs. Raymond W. Blaisdell of 115 Pine Ridge road, Waban, a member of the Homemaker Service Committee of the Family Service Association of Greater Boston.

The need for women interested in being employed either part time or full time for this satisfying work is being made known during the current recruitment effort, Mrs. Blaisdell continued.

Women interested in learning about this work should contact Mrs. Blaisdell, DE 2-9344 or Miss Elizabeth Goodwin, assistant director of Homemaker Services, 34½

Beacon street, Boston — Telephone LA 3-6400.

Homemaker Services were first made available to Newton about a year ago when arrangements were made between the Family Service Association of Greater Boston and the Newton health and welfare agencies through the Newton Community Council. From January, 1960, through July there were 66 requests for

service in Newton and 40 of these were filled.

In connection with the current recruitment efforts, the Newton Red Cross Chapter has agreed to conduct a course this fall on "Home Care of the Sick and Mother and Baby Care" which is open to anyone interested in the course without obligation and especially to those who may be interested in becoming Homemakers.

Homemaker Service is a program organized to care for children in their own home while their mothers are ill or incapacitated. The homemaker takes over the mother's duties in maintaining the normal household routine. In this way the children can continue at home and in school, and the father remain at work without in-

interrupting the family pattern of living.

Under certain circumstances a limited amount of homemaker service is made available to older persons. Homemakers generally work eight hours a day at an hourly rate of \$1.25 in addition to carfare. After a period of employment, the homemaker is entitled to a paid vacation. Homemakers are covered by social security.

Political Highlights

(Continued from Page 1)

Massachusetts when the returns are tabulated on the night of Nov. 8.
Yet, the reception given the Republican Presidential nominee in Boston next Thursday is likely to demonstrate quite spectacularly that Nixon is not without substantial support in the Bay State.
While Kennedy is considered certain to capture the Massachusetts electoral vote, a feeling exists in political quarters that former U. N. Ambassador Henry Cabot Lodge, Jr., Nixon's running mate, has gradually been cutting down the margin by which Kennedy will carry his home state.
When Kennedy won the nomination for President at the Democratic national convention in July a little more than two months ago, some sound political observers expressed the belief that he would carry Massachusetts by a plurality ranging from 500,000 to 750,000 votes. Such a sweep, of course, would mean disaster for the GOP State ticket in the State.
The nomination of Lodge as the Republican candidate for Vice President two weeks later caused the same political experts to scale down their estimates.
So effective is Lodge proving as a campaigner and running mate with Nixon that some shrewd and seasoned political analysts now estimate that Kennedy's Nov. 8 plurality in this State will be between 200,000 and 350,000 votes.
President Eisenhower carried Massachusetts by 400,000 votes in 1956 while Governor Furcolo was defeating Sumner G. Whittier. If Kennedy's margin is under 400,000, it certainly would not assure a Democratic landslide here.
Nixon may or may not shift any votes during his excursion to Boston next week, but he will cause some excitement and will help to move the political campaign into high gear.

Furcolo Role in Campaign Now Matter of Conjecture

Governor Furcolo's public career may be coming to an end, as he indicated to newsmen, but Furcolo has won increased respect from many people for the manner in which he accepted his stunning primary defeat.
He has given no indication of any bitterness. He congratulated Springfield Mayor Thomas J. O'Connor in sportsmanlike fashion. He predicted O'Connor will win over Senator Leverett Saltonstall in the November election, and he offered his support to O'Connor and the entire Democratic State ticket.
That raises the interesting question of what part, if any, Furcolo will be asked to take in the coming campaign and whether O'Connor and Secretary of State Joseph D. Ward, Democratic nominee for Governor, will seek to have him speak for them or with them on television.
O'Connor, of course, blasted Furcolo sharply in the primary campaign. It might seem inconsistent to many people if a few weeks later he were to solicit Furcolo's endorsement and, for example, appear on television with the Governor.
A number of other Democrats have shown a disposition to disassociate themselves from Furcolo since his defeat by O'Connor.
Yet, Furcolo polled more than a quarter of a million votes in the primary. He still has a very substantial following across the Commonwealth, and some of his backers haven't accepted his defeat as philosophically as he did.
Their feelings will not be soothed any if Furcolo is not invited to take a part in the Democratic campaign.
A good deal of speculation exists in political circles on whether former Governor's Councillor Edicott Peabody, runner-up in the Democratic gubernatorial race, will endorse Secretary of State Ward for the Governorship.
Two years ago, after losing to Edward J. McCormack, Jr., in the fight for the Democratic endorsement for Attorney General, Peabody did not support McCormack and remained aloof from the latter's campaign.
Peabody levelled a series of attacks at Ward in the bitter Democratic gubernatorial conflict. What he now does in the coming election campaign will be watched with a good deal of interest.
Of the three top members of the Democratic State ticket—Ward, O'Connor and Attorney General McCormack—the standout candidate is McCormack.
McCormack has gained tremendously in stature and prestige during the past two years, and he was the only top Democratic State contender upon whom the primary left no scars.
O'Connor achieved a spectacular victory in defeating Governor Furcolo. But he won on anti-Furcolo votes. Many people in Massachusetts actually still know little about him. He also faces the problem of winning over the Furcolo followers for the election.
Ward showed balanced strength as he emerged the winner from the hard-fought gubernatorial primary. But even as he savored that triumph he was confronted with the problem of closing the wounds that had been opened within his own party.
His victory resulted in a very large degree from the excellent organizational work which was done for him in many sections of the Commonwealth.
Ward is a skilled and deft politician, however, and he certainly will have plenty of opportunity to prove it in the weeks immediately ahead. His first big task will be to try to pull together the Democratic party and to draw into his camp the men who battled him in the primary.
On the Republican side Senator Saltonstall is now in the process of revising his campaign strategy and scrapping the plans he had mapped in anticipation of an election struggle with Governor Furcolo.
Saltonstall intended to carry the fight to Furcolo and to make the latter's four-year record as Governor one of the top campaign issues. He now will campaign largely on his own record in the U.S. Senate for the past 16 years.
The Saltonstall-O'Connor clash probably will not be as

Newton Girl and Hubby Aim at New York Stage

A young husband and wife acting due — the wife is a former Newton girl — are planning stage careers in New York and hope to emulate the famous Alfred Lunt-Lynn Fontanne formula of combining marriage with theater careers.
Dick and Gayle Kenerson, parents of a 15-month-old daughter, Shawn, met while performing in a Boston University production. This summer they displayed their talents at Edgartown's Summer Theatre and both displayed talents which critics said anticipated a bright future for both.
Both are natives of Massachusetts. Dick, 28, was born in Lynn. Gayle, 23, is the daughter of Dr. and Mrs. Gilbert Chandler of Chatham, who formerly lived in Newton. Her parents are both graduates of Newton High School.
Gayle is the granddaughter of Mrs. Suzanne Metz of 13 Tareton Rd., Newton Centre, and the late John Metz.
Following the Kenersons' marriage, they continued acting, training with Jose Quintero, known widely for his revival of Eugene O'Neill's "The Iceman Cometh" which was produced in the off-Broadway Circle in the Square.
Kenerson is an accomplished artist who specializes in silk screen work, posters and the like. He is planning to combine his acting talent with a commercial art career and intends to take art courses this fall at the Museum School in Boston.
Both have pleasing musical voices. Dick a baritone and Gayle a mezzo soprano. Both have appeared in numerous musical productions, thereby making them a versatile stage team.
Kenerson plans to alternate theater acting and art and hopes to be able to study with David Pressman while his wife desires to continue her voice training as well as her acting ability.
The couple's association with the Edgartown Summer Theatre group was to have been confined to Kenerson's appearance in the opening production "Visit to a Small Planet." However, when two other actors were unable to appear in "The Four Poster," Mrs. Kenerson was called from her parent's home in Chatham.
Both appeared in all productions save "The Glass Menagerie" in which Kenerson appeared without his wife.

Headlights and Highlights From Newton High School

By FRANCES WHITTY

BACK TO SCHOOL 1960—Sophomore orientation and a less overcrowded Newton High School were the opening day-highlights at Newton High School.
House assemblies and Junior and Senior guides aided the Sophomores on their first day. The guides were student members of the Associates Council, the general student governing body. Returning students quickly adjusted to a new schedule, new homerooms, and the new three lunch system.

During the first week of school, the Orange Book was on sale for 50 cents. Here, students may find detailed information concerning the extra curricular activities and many other NHS procedures and traditions.

Mark Lothrop is Editor-in-chief of the 1960-61 Orange Book, and Richard Lockwood is Assistant Editor. Business Manager is Pamela Saphire and Assistant Business Mgr. is Judith Davidson.

Staff members of the Orange Book are Jill Colpak, Edward Hootstein, Daniel Katzer, Philip Manning, Nancy Myers, Lillian Rich, Karen Rothstein, Iris Taymore and Lawrence Wilker. Carol Fox designed the cover. Miss Anne L. Leathers serves as family advisor.

COLLEGE BOUND — Last Friday seniors received the results of the College Entrance Examinations which they had taken last May. As Juniors they were able to take either or both the Scholastic Aptitude Tests and from one to three Achievement Tests. Seniors will soon begin to fill out college applications.

Newton High School and Newton South High School met for the first combined social event of the year—Tigerama and the annual motorcade last Friday night.

Students from both high schools participated; decorating cars, dancing later, and comparing notes on the respective high schools.

Many Newton High School students are involved in the American Field Service program for this school year. Carol Levi is student co-ordinator for both high schools. Dick Lockwood and Robin Kaufman are Newton High School chairmen.

Three seniors have studied and are studying abroad as participants in the AFC program. Stan Freeman is spending six months (from August, 1960 through February, 1961) on an island off the coast of Italy. Sue Draisen is spending her entire senior year in Norway. For the past six months Barbara Swanton has studied in New Zealand.

An exchange student from Italy will arrive here next week and will live at the home of Margie Fox while attending

LETTER

Retort From Voter

Editor, The Newton Graphic
Dear Sir:
I was rather surprised to receive a mock ballot card, issued by some Republicans of this city, on which it suggested that I vote for Attorney Bottomly for State Senator in the Sept. 13th primary. While Mr. Bottomly probably had many fine attributes, they were not in the political field.
Mrs. Irene Thresher has served this city long and well as a representative to the General Court. She has held numerous important posts in Mass. Republican circles. And yet Mrs. Thresher was bypassed in favor of a former Newton man.
As Senator Leslie Cutler has received the nomination of Republicans in this district, neither Mr. Bottomly or Mrs. Thresher will serve us at the State House next year. However, a salute to Mrs. Thresher is due her, for her past fine works for the citizens of Newton, and I'm sure that many of us hope she will again enter the political ring to continue her record as an outstanding solon for the people of Newton.

Put Rubbish In 15c Bags

Large burlap bags are available to Newton citizens for 15 cents each at any fire station in the city for leaves and small debris, according to an announcement by Mayor Donald L. Gibbs and Street Commr. Frank E. Perkins.

Newton's Educational TV Rating Seventh In Region

Newton's educational television quotient is 391, a figure that ranks seventh from the top among 137 cities and towns in the Boston region.

Relative to its population, Newton gives more support to educational television than any other large city on the list.

Fund Drive-

recently said at least 50 per cent of the expected 5,000 who will attend the dinner will be rank-and-file members of the party who had earned their tickets in this manner.

The dinner will be one of 35 to be held simultaneously throughout the nation.

Their purpose is to raise funds to support the Republican National and State and local campaigns to elect Nixon and ex-Ambassador Henry Cabot Lodge as President and Vice President; a Republican Congress, and the entire Massachusetts Republican slate headed by Leverett Saltonstall, candidate for re-election to the U. S. Senate, and John Volpe, candidate for governor.

Among those working on the local GOP finance drive are: Walter P. Muther, city-wide chairman for the residential drive; Wendell Wilson and John Hughes, finance chairmen in Ward No. 1; Frederick Fisher Jr., Ward No. 2; Stanley Miller, Ward No. 3; John Pierce, Ward No. 4; Mrs. Dorothy Reed and Arnold Garrison, Ward No. 5; Robert Lurensky, Ward No. 6; William Carmen, Ward No. 7; and Alan Barkin in the new Ward No. 8.

Special gift chairmen are Representative John Whittemore in Ward No. 2, Courtney Bird, Ward No. 3, Clark Fisher and Mrs. Barbara Welch, Ward No. 5, and William Lincoln and Philip Lowe in Ward No. 6. In Wards 1, 4, and 7 special gifts are being handled by the same people who are in charge of the residential solicitation.

Newton is only outranked by a handful of Boston suburban communities, such as Belmont, Concord, Lexington and Wellesley.

This information was released this week from the region's educational broadcasting stations, WGBH-TV, Channel 2, and WGBH-FM, which have just completed a successful second annual fund-raising campaign.

During the campaign, contributions were received from people in virtually all the cities and towns reached by the Channel 2 signal. In order to find out which of these were most aware of its programs, the station worked out an educational television quotient for each of the 137 places.

Some 926 persons from Newton contributed. Using a formula relating donors to population, this gave Newton an ETVQ of 391. The figures from neighboring cities and towns show Belmont with 492, Lexington 416, Brookline 311, and Needham with 224.

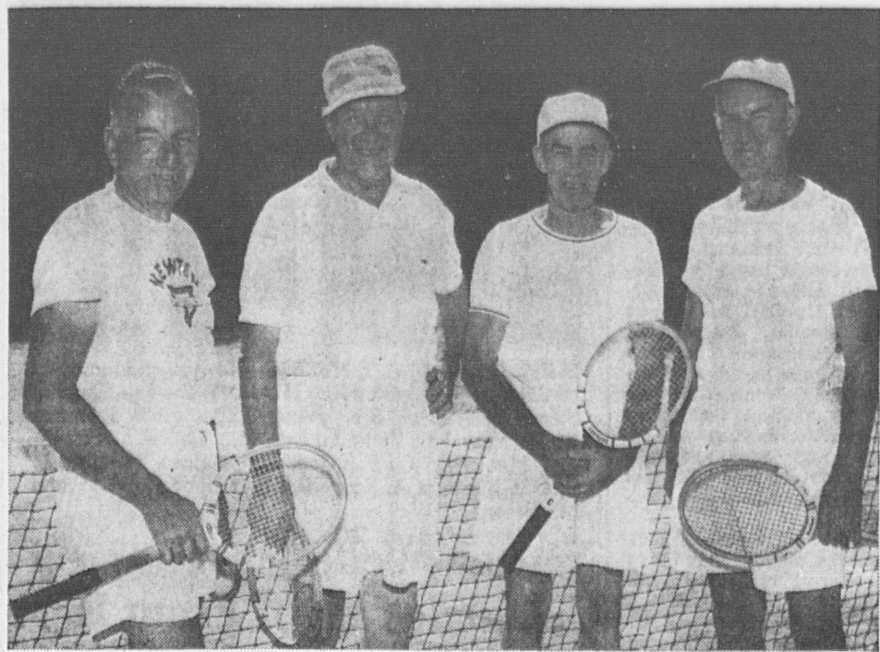

Compass Club First Meeting

The Compass Club of Newton held its first meeting of the 1960-1961 season, at the Newton Highlands Work Shop, on Friday, September 16th.

Mrs. Charles E. Batchelder, club president, presented Mrs. Edward Fitzpatrick with a beautiful crystal pin as a farewell present.

Mrs. Fitzpatrick, who has entertained the club for several years at the piano during the dessert hour is leaving the city shortly.

After the presentation an afternoon of bridge was enjoyed by the club members.

200 YEARS OF TOTAL TENNIS TALENT—This quartet of tennis finalists, ranging in age from 52 to 60, battled it out for the Newton YMCA Doubles Championships. Left to right, Art Jacobs, John Shields, John Rogan and Harold Bowker.

Youth Was Served--But On Sidelines -- In Net Doubles

If "youth was served" at the Newton YMCA tennis doubles finals it was on the sidelines, maybe with iced "cokes, because well over 200 years of combined age was represented on the courts as the winners were decided recently.

It was a quartet of senior citizens that battled it out in the finals as the team of John Rogan and Harold Bowker defeated Art Jacobs and John Shields in a hotly contested match that was extended the five full sets. The scores were: 8-6; 7-9; 5-7; 6-4; and 6-3.

All four veterans, with ages ranging from 52 to 60 years, worked their way up the preliminary rounds of the tournament in the exciting five-set finals.

In the singles championship finals Ed DiPersio defeated Chris Straggas in another gruelling five-set duel with scores of 6-3; 5-7; 6-0; 4-6; and 6-1. Trophies were presented to all winners and runners-up.

Cong. Curtis Starts Drive For New Term

Cong. Laurence Curtis is actively campaigning for reelection to Congress from the 10th district which includes nearly a third of Boston—Wards 4, 5, 10, 12, 19, 20 and 21—and Newton and Brookline.

The congressional district lines were not changed this year, as were the Senate districts. The congressional districts probably will have to be changed next year as Massachusetts is expected to lose two seats in the national House as a result of the new apportionment following the 1960 census.

In his talks to groups Curtis speaks of the critical international situation and the important role played by the Foreign Affairs Committee, of which he has been a member for three years, as well as the need for experienced men on that committee.

He notes that the foreign affairs issues are bi-partisan in nature but adds that he has supported President Eisenhower's requested appropriations for foreign aid. "We have got to show the people in less developed areas, who are striving to raise their standards of living," he says, "that they can do so in freedom rather than by succumbing to the false but to them alluring doctrines of communism."

"If that is not done, the balance of world power may swing against us, bringing danger to our national security."

Curtis speaks of the working technical cooperation and other foreign aid efforts as he saw them on a study mission to the Far East and around the world with members of the committee last year.

Curtis also emphasized his service to the district and his work on the problems affecting Massachusetts, and his efforts to keep in touch with his district through his news letters published in the local newspapers.

He refers to the fight he has made on behalf of civil rights, against over-centralization of power in Washington and for proper governmental economy.

Density Average Washington — Land areas of the world have an average population of about 40 persons per square mile. Some regions, of course, are much more heavily populated while some are less.

First Meeting Of Great Books Group Sept. 27

The first meeting of the new Great Books group will be held at the Newtonville branch of the library at 8:00 p. m., Tuesday, September 27, it was announced by Mr. A. William Kunkel, Newton Librarian.

The group will meet every two weeks for a two-hour discussion of the works of the greatest thinkers and writers of all time.

There is no fee for the course — and the discussion group is open to all men and women in the community.

The leaders of the group will be Mr. Irving Sanders and Mr. Robert Schneider. In a Great Books group the function of the leader is not to teach, but to stimulate the discussion with provocative questions. Without lectures or commentary, but with questions alone they will help the group understand the books.

There are no educational requirements. The only requirement is the desire to read and think. All men and women wishing to join this liberal adult education group may register now by calling Mrs. Sarah Stimpson, Newtonville Librarian, at BI 4-1520 or by attending the first meeting on September 27.

Orange Grid Team Loses 2 Reserves

Newton High School's grid team has lost the services of two reserves from injuries suffered in pre-season scrimmages.

Reserve Guard Peter Scaltrito was lost for an indefinite period with a possible fractured ankle suffered in a pile-up.

Sacred Heart College Opens Its 15th Year

More than 600 students returned to classes last Monday as Newton College of the Sacred Heart began its fifteenth academic year.

The young women come from twenty-five states, the District of Columbia, Puerto Rico and eight foreign countries, including Korea, Cuba, Japan and Holland. Forty-one percent of the students registered come from New England.

Massachusetts leads all of the states in enrollment with 178 residents from 112 communities, and New York State, with 168 residents from ninety-eight communities, ranks second. Connecticut is represented by forty-four students, Illinois by thirty-one, Rhode Island and Pennsylvania by thirty, and New Jersey by twenty-eight. Eighteen students come from Ohio, fourteen from Michigan and ten from Maryland. Other Newton student are residents of Arkansas, California, Delaware, Florida, Iowa, Maine, Minnesota, Missouri, Nebraska, New Hampshire, North Carolina, South Dakota, Virginia, Washington and Wisconsin.

Nor will scholastic life remove Newton students very far from the political arena this year. Two Newton girls have fathers who are public figures in Mass.: sophomore Marion Kelly, daughter of Francis E. Kelly of Dorchester, and Mary Ann Dronney, daughter of Middlesex County District Attorney John J. Dronney of Cambridge.

houses in addition to the office building, but in the latest plan the apartment house angle was dropped.

The spokesman for the petitioners, Robert G. Fisher of 9 Bertrand rd., Auburndale, said the proposed medical building would have 15 offices in the two stories. There would be 5700 square feet of office space and room for parking 36 cars.

Representative John F. Tapline of 15 Sewall st., West Newton, joined with members of the hospital staff in stating there was need for such an office building in Newton.

Four other petitions were opposed. These included change of zone for a small lot of land at the rear of Needham st., which has a right of way leading to Winchester st.; permission to use land near LaGrange st., for Cemetery purposes; petition for an increase in the number of patients at a Newton nursing home, and a petition for change of zone for a small strip of land to enlarge the site of a proposed supermarket in Newton Highlands.

Newton elementary school enrollment stands at 9758, with 4145 students in the five junior high schools. Newton High School has a total of 1973 students this year and there are 1176 boys and girls at Newton Technical High School. Total high school enrollment is 3398.

"Club 88" To Start Season

Mrs. Sylvia Doress White announced this week that her well known Club 88 is starting its 1960-61 season of the piano.

Mrs. White is planning an interesting schedule of meetings to include the great musicals of Gershwin, Rogers and Hammerstein, Kern, Loewe and Lerner, Gilbert and Sullivan and others.

Members will play piano excerpts from the musicals and operettas.

Mrs. White said this week that these gatherings add much interest among club members and that having a definite playing goal for these programs occurring every eight weeks, builds poise and confidence that a "once a year" recital could never accomplish.

Achievement awards are presented in June to those mem-

bers who fulfill their requirements in technique, harmony, sight reading and repertoire.

TELEVIEWING THE NEWS

By LEE LOUMOS

A difficult prediction to make about a television set is when tired tubes are going to lie down on the job and for all. Entirely possible is that they will weaken over a long period of time. Sometimes you'll get performance of one sort or another right to the last. Or they can go very suddenly. Occasionally a tube will even show satisfactory output on a tester... and then go without warning. But ordinarily, our electronic testers will reveal weakness in a tube... and they always reveal one that's bad at the time of testing.

Heat puts a tube to the test... heat that is generated when your set plays for only an hour or so, it's possible to get a good picture even with a weakening tube. But have it operating most of the evening and you'll undoubtedly see trouble. The heat time to have tired tubes replaced is when you're having your set serviced, for in this way, you can save yourself an additional service call later on. For thoroughly reliable TV service, give us a call... we have the best equipment, the knowledge to solve all TV problems. Let us treat minor ailments before they develop into major complications... call Lee Loumos, BI 4-7240.

And remember every Friday night from 7:30 to 8:30 is open house for demonstration of the new Thomas choral transistor organ—hear it or play it yourself, you will be amazed at such versatility for so little money.

There were only eight permits issued during August for single dwellings in Newton, but permits were granted for three swimming pools, according to the report of Building Commr. Arthur Campbell.

Value of the new homes planned last month amounted to \$151,000. A year ago in August 16 new homes were started at a cost of \$237,500.

Trainmen Back Edw. McCormack For Reelection

Atty. General Edward J. McCormack, Jr., who received a tremendous complimentary vote in last week's Democratic primary was endorsed for reelection today by the Brotherhood of Railroad Trainmen.

The endorsement came as McCormack launched his drive for a second term as Atty. General and reviewed his record of the past two years in office, citing his accomplishments which resulted in advances for the people of the Commonwealth in a variety of fields.

Chairman John R. McIsaac of the State Legislative Board of the Brotherhood of Railroad Trainmen, in announcing that organization's endorsement of McCormack, declared that the Attorney General has made "an outstanding record of service to the people of Massachusetts."

"You have compiled an outstanding record of service

to the people of our State as Attorney General of the Commonwealth," McIsaac said in a letter to McCormack.

"I know that the people of our State have examined your splendid record of service to them, they will re-elect you as Attorney General to continue your good service to them," McIsaac concluded.

Meanwhile Attorney General McCormack listed two of the new laws which he was responsible for having enacted this year.

One of the measures provides that boys and girls under 21 will be issued automobile drivers' licenses of a different color than are issued to persons over 21.

The purpose of that law is to curb teenage drinking and to make it more difficult for teenagers to hoodwink bartenders, waitresses and package store clerks into selling them liquor.

Attorney General McCormack also is credited with being primarily responsible for the enactment of the so-called Public Defenders' Law, under which persons financially unable to retain lawyers will be assured of adequate legal counsel in major criminal cases tried in Superior Court.

Hospital Takes Donna in Stride

William B. Brines, director of the Newton-Wellesley Hospital, has officially commended the outstanding performance of the institution's personnel during the blackout caused by the recent side-swipe from hurricane Donna.

A considerable amount of extra work was thrust upon the nurses, maintenance team, and all other hospital workers, all of whom remained on the job or came in and saw that all patients were cared for.

A new class of student nurses also took part with aplomb and skill during the hurricane's inconveniences.

Director Brines extended his admiration and thanks to all the hospital personnel.

Newton Savings Bank Opens New Office In Chestnut Hill

Local business, financial and civic leaders attended ribbon-cutting ceremonies which marked the recent opening of the Newton Savings Bank's seventh office in Chestnut Hill. Mayor Donald L. Gibbs plied the scissors to snip the silken ribbon to throw open the new office to business.

The new office is located in the Chestnut Hill shopping center at 9 Boylston street.

According to Frederick C. Ober, bank president, the site was selected for its convenience to thousands of people who patronize the shopping center. In addition, a huge parking area is located near the new office.

Complete savings bank services will be offered by the new Chestnut Hill Shopping Center office. These include savings and club accounts, home financing, savings bank life insurance and money order checks.

An estimated 3,000 people attended the open house celebration which followed the

ribbon-cutting. With seven offices now serving Newton, Wellesley and Needham, a new main office building is being constructed in Newton Centre. Population growth of the area served by the bank has made expansion of the long established institution a necessity, Mr. Ober said.

TO THE VOTERS OF NEWTON:

I wish to thank from the bottom of my heart those of you who voted for me in the primaries on September 13. I have enjoyed serving all the people of Newton for the past 19 years - from 1941 to 1950 - as a member of the Newton School Committee, and from 1951-1960 as a member of the Massachusetts State Legislature from the 5th Middlesex District.

I am sure that the people of the new Norfolk and Middlesex District have chosen well in selecting Senator Leslie B. Cutler to represent them in the Massachusetts State Senate.

new Princess phone so petite—and so practical!

Have you seen the Princess phone in our business office, or in the home of a friend?

Once you do, you'll understand the distinctive appeal of this new extension phone.

You'll notice how small it is, how it takes less room on bedside table or kitchen counter or living room desk. You'll notice, too, how the dial lights up. It glows in the dark so you can find it quickly and, when you lift the receiver, lights up brightly to make dialing easy.

Your eye for modern styling will like the Princess phone's low, lovely lines, and the variety of colors it comes in—white, beige, pink, blue and turquoise.

And your sense of thrift will be pleased by the low cost of this glamorous new extension—petite, and so practical.

Just call or visit your local telephone business office. Or ask a telephone serviceman to show it to you.

CHARLES MUNCH

Waltham Stamp Show Invites New Exhibitors

The seventh annual three-day exhibition of the Waltham Stamp Club will be held this year on Nov. 4, 5 and 6 and officials today invited stamp collectors of the area to consider exhibiting some of their collections.

Rules and regulations may be obtained by writing Dr. Gerald S. Davis, 51 Crosby Rd., Chestnut Hill. All entries must be received prior to Oct. 24.

This is the only stamp show in Greater Boston and as in the past will be held at the VFW Post, 84 Orange St., Waltham. Admission is free, there is ample free parking, and there will be a philatelic door prize.

The Court of Honor this year will consist of six panels from the U. S. Postoffice "Birth of a Stamp," Swiss government exhibit, Pakistan Postal Administration exhibit, and an exhibit from the United Arab Republic.

These are in addition to the scores of frames of selected pages and collections from all parts of the world, entered by members of the Waltham Stamp Club and many other amateur collectors. In past years exhibits have been entered from all over New England.

The top prize for "Best in Show" is a silver Paul Revere bowl. Gold, silver and bronze medals are awarded in the various categories.

This year the club has added a new category for exhibitors who do not have the talent for making or writing up their own pages. These entries may be mounted on commercially printed album pages, but the basis of judging this portion of the show will differ from the other sections.

There will be a 10 dealer bourse containing stamps and supplies. Some 300 choice lots of stamps go on unrestricted auction at 2:30 p. m. on Nov. 6. There will be 100 lots set aside strictly for junior collectors. The two auctions will be in separate rooms.

There will be a new cachet cover in color available at the show or by mail from Barbara Hazelwood, 61 Evergreen Ave., Auburndale. The covers are priced at 15 cents each or two for 25 cents.

Land Area
Area of Guatemala is about that of Tennessee.

For the first time in several years, the Boston Symphony Orchestra will open a Wellesley Concert series on October 17 in the newly renovated Alumnae Hall. The orchestra will be directed by the talented baton of Charles Munch.

On Nov. 30, the Menuhin-Doktor Duo will present music for piano and viola. Miss Menuhin "touched with the same order of genius that marks her illustrious musical family," and Mr. Doktor, "truly comparable to Kreisler in his best years," make a superlative musical combination.

Nicole Henriot-Schweitzer, the French pianist is featured in the third concert on Feb. 14. Well-known in this area through her appearances with the Boston Symphony. Mme. Henriot-Schweitzer is a dynamic, vital performer.

The concluding concert, on April 12, will be given by the Canadian contralto, Maureen Forrester. Not yet 30, Miss Forrester is firmly on the way to international stardom. During the past season, she appeared at Carnegie Hall with the Philadelphia, Cleveland and Philharmonic Orchestras, bringing to 23 the number of her appearances with the Philharmonic in four consecutive seasons. Featured at the Stratford, Ontario, and Edinburgh Festivals, she has been hailed in Madrid, Berlin, and London.

The Concert Office is now open and subscriptions may be obtained there or by telephone or mail.

Much credit was given in the organizational work to the efforts of James True, president of the Waltham Jaycees.

Dennis Duffin, president of the Massachusetts Junior Chamber of Commerce, will present the charter to the Wellesley Jaycees. State officers of the organization and civic leaders are expected to attend.

Richard Linden, new manager of the Newton Highlands office of the Newton Savings Bank, was president of the Wellesley chapter.

Pupils Invited To Enter Llama Naming-Contest

A warm invitation was extended today to children of this community to join in a contest to find a name for a baby llama which Aleppo Temple of the Shrine is presenting to the Franklin Park Zoo.

The boy or girl who suggests the name chosen for the woolly, little llama will get a \$100 cash prize, and his or her teacher also will receive a \$50 cash award.

The baby llama is being given to the zoo in connection with the famous Hamid-Morton circus which opens at the Boston Arena on the night of Thursday, Oct. 6, under the auspices of Aleppo Temple.

And Aleppo Temple and The Boston Traveler are sponsoring a contest to find the best possible name for the llama. The competition is open to pupils in public, parochial and private schools who are under 16 years of age.

Here's all the youngsters have to do to enter the contest.

First, sit down and think up the most appropriate name for a male baby llama, which is brown except for white markings on his nose. (Llamas originated in the Andes Mountains section of South America and were used there for centuries as beasts of burden. They are called the South American camels but have no humps.)

Then print plainly on a piece of paper your name, address and age, the name and grade of the school you attend, your teacher's name, and — the name you suggest for the llama.

Finally, mail your entry to: Llama-Naming Contest, Boston Traveler, P. O. Box 551, Boston 2, Mass.

First prize, which will go to the child who submits the winning name, is \$100 in cash. Accompanying award of \$50 in cash will be made to the child's teacher.

Second prize is \$50 in cash, and third prize is \$25. The next 50 runner-ups will get two tickets apiece for the great Hamid-Morton circus.

Entries must be postmarked not later than midnight on Saturday of next week, Oct. 1. Award of the prizes will be made at the opening Oct. 6 performance of the circus at the Boston Arena.

School teachers are invited to have their pupils submit names for the llama. The entries from an entire class may be mailed in the same envelope.

Hub Gunmen Bind Toll Road Extension Faces Trio In Oak Hill; Steal Cash and Gems

Newton police are making every effort to bring to speedy capture two dark-complected burglars who invaded an Oak Hill residence, bound two elderly persons and a youth, and terrorized them for 20 minutes in a futile hunt for a safe.

They were convinced the bandits were from Boston's North End section because one commented, after fruitless search:

"Wait until I get that guy in the North End who told us about a safe."

The burglars, one of whom was armed, finally left with \$110 in cash, two \$50 checks, several rings and wrist watch.

The men walked through the open front door of Mr. and Mrs. Hyman Isenberg at 19 Rosalie Rd., shortly after 10 p.m. Sunday. The latter were on a Florida vacation but in the home were Mrs. Isenberg's parents, Jacob Dudd, 2, of 24 Rexford Rd., Mattapan, his wife, Gertrude, 68, in the den watching TV.

On the telephone was their grandson, Richard Isenberg, 8, talking with Marjorie Ar-

better of 105 Cynthia Rd., Oak Hill.

The intruders ordered Richard to continue the conversation for a moment. Then the three occupants were ordered to lie on the floor. Mr. Dudd and Isenberg were bound together with plastic wire. Mrs. Dudd's feet were bound and pillows were placed under the heads of the elderly couple.

Effect of MDC Probe Seen As Campaign Question Mark

What effect will the startling disclosures resulting from the investigation of the Metropolitan District Commission have upon the coming election in Massachusetts?

That is the question which Democratic office-seekers are asking with an obvious note of uneasiness.

They don't know the answer, but they're pretty well convinced that the impact of the M.D.C. probe on the voting public isn't going to do the Democratic use any good.

Newton Line Apartments Hit By Fire

The state fire marshal's office has under investigation the cause of a three alarm fire which caused an estimated \$60,000 damage late Saturday to a three-story wooden apartment building at 144 Middlesex Rd., on the Brookline-Newton line.

An adjoining structure at 142 Middlesex Rd., on the Newton side, suffered some smoke damage. Fire officials said the blaze started in the basement and worked up the interior.

Civic Honor For Little Leaguers

Wrist watches and scrolls which can be cherished a lifetime were mementos today of coaches and players of the New England Champion Newton West Little League All-Star Team.

These were presented at the recognition banquet sponsored by the Newton Chamber of Commerce last Tuesday at Valle's Steak House in Chestnut Hill attended by nearly 350 persons.

Newton Recreation Commissioner C. Evan Johnson presented the 16 boys, their manager and two coaches with inscribed wrist watches.

State Rep. Arthur Heaney of Newton presented each with scrolls containing the resolution he initiated in the Massachusetts House of Representatives praising the team for its victory in the District 1 championship

race and its near victory in the Regional Championship tournament.

Members of the team were: Bob Cerra, Kim Britt, Jeff McLaughlin, Brad Haywood, Harold Mullen, Martin Clapton, Ricky Sonia, Gary DiRusso, Hollis Perry, Mike Gradone Jr., Joe Luchette, Bob Keefe, Elliot Libman, Tom Clark, Joe Sonia and Mike Murphy.

Team manager was Gene "Jeep" Coyle and the coaches were Mike Gradone and Jim Cokely.

The principal speaker, Neil Mahoney, chief Boston Red Sox scout for New England and Canada, praised the exemplary behavior of the boys on and off the field.

Other speakers included Mayor Donald L. Gibbs, manager Coyle, coach Gradone and Earl Mullare, Newton

West president traced the team's progress through the 10 regular league games to the regional finals at Staten Island, N. Y., against Levittown.

Little League Director T. Frank Copp, a member of the Recreation Board, reported that the Pennsylvania team which went on to win the Little League World Series after edging Newton, voted that the Newton West team was the toughest they faced anywhere.

Newton Fire Chief, Frederick Perkins, who is on vacation, sent a telegram of congratulations to the players and the adults who had guided them along the way.

In addition to the speakers, the head table dignitaries included former Newton Mayor Howard Whitmore, Jr., Newton teacher Sam Turner,

chairman of the sponsoring committee.

Among those present were former Red Sox catcher Sammy White, former National League umpire Artie Gore, Newton High baseball coach Howie Ferguson, former Newton West president Bob McLaughlin and George Mead and representatives from the Newton East, South, North and Central Little Leagues.

Jim Murphy, a Newton Recreation Department supervisor, and one of the founders of Little League in Newton eight years ago, served as toastmaster. In his opening remarks, Mr. Murphy traced the growth of the Newton Little League from a humble beginning in 1952 to a point today where over 2000 boys are playing.

See 350 Homes, Business Firms Facing Demolition

Mayor Donald L. Gibbs this week prepared for an all-out fight against the proposed extension of the Massachusetts Toll Road through Newton along the roadbed of the Boston and Albany railroad.

The new battle started after the B & A filed a petition with the Interstate Commerce Commission in Washington for authorization to relocate two of its tracks running through Newton.

B & A officials said in their application that it was filed for the purpose of facilitating the construction of the turnpike from the vicinity of Riverside Station in Newton to the vicinity of South Station in Boston.

Mayor Gibbs countered by having City Solicitor Matt B. Jones file a protest with the ICC and a petition asking leave for the City of Newton to intervene in the proceedings.

Gibbs subsequently announced his intention of fighting the turnpike move every step of the way, declaring that, as presently contemplated, the proposal "would be devastating to Newton."

Other sources supported the Mayor, estimating that about 350 homes and a good many business establishments would be demolished and between \$4 and \$5 million worth of property destroyed to make way for the new toll road.

The Mayor explained that his objection is based on two points:

1. He believes that any new artery constructed to link the turnpike with downtown Boston should be a freeway and not a toll road.

2. Secondly, he feels that the road should run along the Charles River and not through the heart of Newton.

Gibbs said that the Master Highway Plan of 1948 provided that the road go along the bank of the river. He added that he had filed bills in the Legislature asking that studies be made to determine the best route for the artery but that the measures had all been defeated.

 deadlock in its Class E debut last Saturday before 3500 at Dickinson Field, but faces a tough foe in Hingham which beat Danvers 23 to 8 last Saturday.

South's front wall was especially impressive because Framingham was held to a gain of only 77 yards on the ground. On two occasions South High stopped Framingham advances inside the 15 yard line.

However, on the offensive side, Newton was able to get the ball inside the Framingham 35 yard line only twice.

Newton's pass defense seemed weak as quarterback Don Enrico completed five passes for a total of 85 yards. Newton South had an excellent scoring chance in the second period. Newton was deep in its own territory and kicked on third down. The ball rolled to the Framingham 35 where it was picked up and fumbled, and South recovered. Steve Sones picked up nine yards on two rushes and Steve Rabin made it first down on the Framingham 11. Sones added five more to the six, but Framingham held for two downs and an incomplete pass to gain possession on downs.

winning touchdown. The score came as a result of a fumble when the Newton center passed the ball over his kicker's head on fourth down. The ball rolled to the two, and Boudreau carried over from there.

Fred Dalicandro started the scoring for Newton when he returned a punt 73 yards for a touchdown. Pete McKenney rushed for the two points. Everett came right back when Bob Leo scored on a 66-yard run on Everett's first play from scrimmage, and then he rushed for the two points and an 8-8 tie.

Leo passed to Gus Cuilla for another tally and scored his second TD of the afternoon on a 37-yard pass play from quarterback Carl Canderazzi.

Newton's other scores came on quarterback George Kerr's 82-yard kickoff return in the second period. In the third period Dalicandro counted his second tally on a five-yard plunge to climax a 57 yard drive.

Coach Bob Malone later singled out fullback Pete McKenney for highest praise. McKenney gained 57 yards in 13 rushes to top Newton's ground gainers. Malone said "Pete was tremendous; he played his greatest game ever."

Newton Girls Enroll For Regional Nurse Training

Seven Newton girls are among the 20 freshman students who this week began the second year of the regional nursing school at Newton Junior College, adding the "Nurses For Newton" campaign.

The local girls are Marilyn Achom, 48 Erie Avenue, Newton Highlands; Virginia Connor, 29 Washington Park, Newtonville; Paula Legere, 38 Hood Street, Newton; Rosalind Libera, 8 Park Avenue, Newton; Ann Mescall, 50 Southgate Park, West Newton; Nancy Norris, 259 Waverly Avenue, Newton; and Carol Bartberger, 518 California Street, Newtonville.

The two-year regional program, the only one of its kind in New England, was started last year to help create nursing resources for five hospitals in this area.

The school was organized following efforts of the Nursing Council of the United Community Services of Metropolitan Boston to aid the need for nurses.

Hospitals affiliated with the training program are: Waltham Hospital, Choate Hospital in Woburn, Emerson Hospital in Concord, Symmes Hospital in Arlington, and the Winchester Hospital.

None of the five hospitals is large enough to maintain a nursing school. Upon completion of the two-year training program, graduates are eligible to take examinations as registered nurses.

Car Inspection Period Is Ahead, Registrar Warns

Car inspection time is just around the corner for Bay State motorists and a reminder from Registrar Clement A. Riley this week is polite but backed with the hint of official action for delinquents.

618 Massachusetts car owners were summoned into court and paid fines for not complying with the law.

Motorists have the entire month of October to have the automobile inspected and the proper sticker slapped on the windshield. For those interested in color harmony, the new sticker will be yellow with black letters.

Highland Glee Club Invites Men

Concert dates for the Highland Glee Club were announced today by George H. Wight of 25 Moreland Avenue, Newton Centre, as he began his 37th year as president of the organization.

The winter concert will be presented Tuesday evening, Dec. 13, and the spring concert on March 14. Both will be in Newton High School auditorium as in previous years. Rehearsals for the concerts begin next Monday (Oct. 3) at 8 o'clock in the parish hall of Trinity Episcopal Church in Newton Centre. Plans have been made to increase the number of singing members in the club and membership is open to men interested in male chorus music.

Officers and other members of the club will be on hand at 7:30 to greet the newcomers and James H. Remley of 73 Randlett Park, West Newton, head of the music department in the Newton Schools and director of the Highland Glee Club will be there to see that new members are placed where they will be most helpful to the ensemble and comfortable in their own vocal range.

If you are interested you will be welcome. Further information can be had by calling Mr. Wight at LA 7-2167.

MTA Operator Cut By Rock Tossing Youth

Some very clever boy living near the Hyde St. bridge ought to be gloating because the rock he threw hit an MTA Highland Branch car.

The rock broke a window in the car and the splinters of glass cut the face of car operator Thomas J. Killilea of 25 Whitman St., Dorchester. He was taken to St. Elizabeth's Hospital for treatment for injuries to his face and eye.

Cong. Curtis Cites Efforts For Bay State

Cong. Laurence Curtis, campaigning for reelection from the 10th Congressional district, today discussed problems arising in Washington which affect Massachusetts and referred to the repeated fights he has made to protect the interests of his district and his home state.

Curtis declared that some federal aid programs "have a tendency to drain money unfairly from Massachusetts taxpayers for the benefit of other sections of the country whose industries are in competition with ours."

"It is necessary to be constantly on the alert to see that federal aid is not taken advantage of by other areas whose combined legislative power is great, to the disadvantage of Massachusetts," he asserted.

Congressman Curtis said he had opposed federal aid programs which he believed were "going too much into local problems to the disadvantage of Massachusetts."

"I have taken the floor in debate to oppose the 'formula for distribution' of federal aid when I felt it was unfairly weighted with factors which resulted in discriminatory treatment of Massachusetts," he stated. "This must be a constant battle."

Curtis described actions taken by the entire Massachusetts delegation in Congress, comprising both Democrats and Republicans, in support of Bay State interests in which he had joined.

He said he also had taken up these problems personally with the departments concerned. Among such problems, Curtis stated, were:

"Tariff protection of Massachusetts industries; protection of small business, which is of particular importance in Massachusetts; freight rates which are discriminatory against the Port of Boston; the allocation of federal sugar purchases which can be unfavorable to the local candy industry and other Massachusetts consumers by forcing them to purchase less advantageously from the Chicago market largely fed by beet sugar than they could purchase from local refineries handling cane sugar imported by sea; limitations in imports of residual oil, which hurt our area."

Congressman Curtis said he considers that one of his major duties is to see that constituents are fairly treated in all their dealings with the federal government.

"I have maintained offices open the year around in Boston and Washington for every possible service to constituents," he declared. "I have conducted periodic meetings with constituents in every section of the district," he declared.

He declared that his newsletter also is intended to keep the people in touch with matters of interest in Washington and informed on his activities. Curtis added that he personally not only writes the newsletter but also does the necessary research in connection with them.

development of a full religious and educational program.

The Rabbi and Mrs. Koolyk live at 12 Morton road, Newton Centre, with their children, Sharonah, Reuben, Judah and Elissa.

Rabbi Koolyk was ordained at the Rabbi Isaac Elchanan Theological Seminary of Yeshiva University and holds an M.A. degree in Semitic Studies from Harvard University.

Rabbi Koolyk came to Beth El of Dorchester, "The Fowler Street Shul", 10 years ago. During his tenure as Rabbi the Congregation enjoyed growth and maintained a full program of activities despite the population shifts in the community. While he participated in all phases of Jewish life in the general community he gave special attention to the transplanting of the Congregation to suburbia. This year he was honored at a Tenth Anniversary banquet and rewarded with Mrs. Koolyk with a trip to Israel and Europe.

Rabbi Koolyk also serves as Jewish Chaplain of the Boston State Hospital in Mattapan. He is spiritual counselor to the 300 Jewish patients at the Institution and the advisor to the Community Friends of the Boston State Hospital, a volunteer organization of over 500 members. The Rabbi is also Chaplain of the Boston Council Boy Scouts of American and Shomrim Society of Massachusetts.

Mahan Cites FBI Service In D.A. Bid

Atty. James F. Mahan, Republican nominee for District Attorney for Middlesex County, said last night he will wage a campaign based on his experience as a former Assistant Attorney General and F.B.I. Agent.

In talks with campaign workers, Mr. Mahan stressed that the present District Attorney was "an appointee of the Governor and is not in that office with the will and consent of the voters."

Mahan lashed out at the incumbent district attorney as being "tainted with the sordid last days of the discredited O'Dea regime. And," he continued, "Mr. Droney played the leading role in the evasions and deceptions deliberately contrived to deceive the citizens of the commonwealth."

In addition to his years in Federal and State law enforcement, Mr. Mahan served as a top adviser to Christian A. Herter when the latter was Governor. Mr. Mahan is currently on leave from his post with the state Industrial Accident Board. He has been an attorney for 16 years. Married to the former Gertrude E. Sullivan, Mr. Mahan is the father of 3 children, Brian 12, Ellen 10 and Michael 7.

Women Top Men Voters In Newton

City Clerk Monte G. Basbas said Newton had nearly 4,000 more women enrolled as voters at the re-opening of registration following the September primaries.

Mr. Basbas reported the revised list had a total of 46,521 voters. He said indications were that an additional 4,000 would register before the Oct. 7 deadline. It contained 25,249 women and 21,272 men.

The list showed 15,281 Republicans, 8,309 Democrats and 22,931 undeclared voters.

Hub Gunmen- (Continued from Page 1)

Mr. Dubb has been in ill health and under the care of a doctor.

Young Isenberg was asked repeatedly where the safe was located. They ripped out the bedroom telephone, searched all the closets of the seven room house and ransacked the master bedroom.

After the bandits finally left, Isenberg was able to free himself. He called a doctor for his grandparents and then notified police.

More than a dozen police officers joined in the search for the bandits. They were under the direction of Capt. William J. Burke and Sgts. Walter D. Drew, William E. Veducello and Robert F. Mahoney, State Police Lt. James H. Sharkey searched

the house for fingerprints. The invasion of the sanctity of a private dwelling prompted police again to remind home owners to take precaution against surprise entry. Police everywhere have advised that doors be properly secured to prevent unauthorized intrusion.

One bandit was described as 5 feet 8 inches, 180 pounds and wearing a sports jacket. The other was 5 feet 10 inches, 160 pounds and wearing a leather jacket and dark trousers.

Only two days earlier burglars stole nearly \$2,000 in cash and jewelry from the home of Dr. Alphonse Kallan of 962 Centre St., Newton Centre, while he was absent from home. Both the inner and outer doors were ajar when he returned, Dr. Kallan told police.

The robbery at the Isenberg

home recalled a series of invasions of homes which several years ago plagued residents of Newton and Brookline.

During the "wrong house" invasion of the home of Mr. and Mrs. Henry Mintz in Newton, young Cambridge attorney Merrill R. Lovinger, 26 was shot and killed on Feb. 4, 1955. The tragedy occurred at the home of his bride's parents.

The bandits responsible for the murder had planned to enter a different home to stage a holdup. The trio fled but police work by Newton officers

led to their capture within minutes.

Henry F. Arsenault Jr., 28, of Framingham, Russell LeBlanc, 24, and Arthur L. Devlin, 31, both of Waltham, were sentenced to die in the electric chair, but on recommendation of Gov. Furolo sentence was commuted to life imprisonment. They are now at Walpole State prison.

Political Highlights

(Continued from Page 1)

To be sure, no member of the Democratic State ticket was in any way associated with the M.D.C. or had the slightest part in any of its maneuvers and manipulations.

In fact, the investigation, which has produced a chain of shocking revelations, was started by Democratic politicians and is being carried out largely by Democrats.

This is not a case of Republicans exposing the wrongdoing of Democrats. The Democrats themselves are doing the exposing, and the Democrats are prepared to prosecute the wrongdoers.

A report by Democratic State Auditor Thomas J. Buckley triggered the probe.

Democratic State Senator John E. Powers moved swiftly and with dispatch for a Senate investigation of the M.D.C. after the charges contained in a report by Buckley were made public.

Powers, now perhaps the foremost and most influential Democratic figure on Beacon Hill, as chairman of the Senate investigating committee, has presided over the M.D.C. hearings in the Gardner Auditorium.

The other two Solons serving under Powers on the probing committee are Democratic Senator Francis X. McCann of Cambridge and a Republican Senate Leader Fred I. Lamson of Malden.

While Lamson has taken an active part in the proceedings, his role certainly has not been as prominent as that of the aggressive, hard-hitting Powers who more than any other one person is responsible for bringing out the M.D.C. story and placing it before the people.

Democratic Attorney General Edward J. McCormack, Jr., is preparing to go before the Suffolk County Grand Jury at its sitting during the coming month to present evidence of criminal violations of the law unearthed by the Powers Committee during the M.D.C. probe.

In short, the Democratic public figures have been pushing this probe. Yet, the fact remains that the persons being investigated and, in some instances, exposed, are members of a Democratic administration.

What impact then will the M.D.C. probe have upon the voters?

Will the public give credit to Democratic politicians for pressing the probe and letting the chips fall where they may?

Will the people distinguish between those who were guilty of shady and questionable practices and those who had no connection of any sort with the M.D.C.?

Or will some of the indignation against Democrats guilty of violating their public trust rub off on other Democrats?

The answers to those questions will become increasingly important as the state election campaign develops.

In fairness, it also should be pointed out that sharp criticism has been levelled at certain things done by the M.D.C. when it was being run by a Republican-appointed chairman.

There is a tendency, however, to blame the party in power when things go wrong, and the Democrats have been in power in Massachusetts for the past four years.

To what extent the M.D.C. probe will be an issue of debate in the coming campaign is uncertain. Charges stemming from the investigation presumably will be pending before the courts which may preclude much political debating.

The explosive situation is one which politicians in both parties are likely to approach gingerly.

150 New Members Hailed At GOP Women's Meeting

The Newton Women's Republican Club opened its fall season last Wednesday with a reception for 150 new members at the home of Mrs. Morgan S. Campbell, vice president for Ward 7.

The new members were officially received by Miss Adelaide Ball, president; Mrs. Edward C. Becherer, recording secretary; Mrs. William P. Giles, corresponding secretary; and Mrs. Abbott Spear, treasurer.

Ward vice-presidents and other elected officials who served on the hospitality committee included, Mrs. Jacob M. Newstadt, Mrs. Richard H. Lee, Mrs. Alfred O. Weaver, Mrs. Albert E. Holbridge, Mrs. Thomas S. Derr, Mrs. Richard Hale, Jr., Mrs. Morgan S. Campbell, Mrs. George J. Elbaum, Mrs. Spencer F. Deming, Mrs. L. T. Reed and Mrs. Denis E. Myers.

The traditional Republican elephant was featured largely in the decorative scheme, including table ornaments, pins, name cards and elephant-shaped cookies.

Women's ORT Chapter To Meet Oct. 5th

The opening meeting of the Hancock Chapter of Women's American ORT will take place Wednesday evening, October 5, at the Meadowbrook Junior High School in Newton. Mrs. Shepard Sumburg, president, will preside.

The following vice-presidents will outline plans for ORT's overseas projects for the coming year:

Mrs. Edward Oppenheim, health; Mrs. Arthur Goldberg, scholarships; Mrs. Harold Ehrlich, MOT; Mrs. Howard Feldman, guardianship; Mrs. Gerald Sowsy, Tel Aviv; Mrs. Gerald Kraft, EPIC; Mrs. Harvey Flashman, honor roll.

Refreshments will be served by Mrs. Irving Nesson, hospitality chairman and her committee, Mrs. Samuel Robbins and Mrs. Saul Cooper. Mrs. David Yarosh, program vice-president, will introduce the guest speaker, Harold List, who will take for his subject, "Do You Control Your Children's Future?"

Francis W. Dahl Jr., recently was pledged to Phi Delta Theta at Denison University in Granville, O., where he is a freshman. He is the son of Mr. and Mrs. Francis W. Dahl of 47 Central Ave., Newtonville.

Headlines — Administration Proclaims Successful Orientation Week—Student Cars Banned From N.S.H.S.—Twenty-One Teachers New to Newton, Part of N.S.H.S. Faculty.

Highlights—The School bell rang two weeks ago at N.S.H.S., welcoming its first student body back from summer vacation. Reactions of pleasure and surprise sounded from both the faculty and student body.

It was expected that a great deal of adjustment would be necessary, but it was the general opinion among the staff that orientation was carried out quite smoothly.

To make it easier for the students to assimilate themselves to the new buildings, the following students acted as guides on the opening days: Joseph Adolph, Judy Bailen, Jack Bernstein, Dana Conway, Howard Davis, Zena Dorfman, Steve Fradis and Barbara Goodbar.

Leslie Green, Jane Kaplan, Alan Katz, Mini Kay, Cyndi Kline, Mary Kruger, Stephanie Laurie, George Levenson, Irene Levins, Dave Mersky, Helaine Morris, Vivian Shulman, Linda Sugarman, Allan Wilson and Ronni Zeitman also acted as guides on opening day.

Students driving their cars to school have been prohibited from parking in the area surrounding N.S.H.S. The Administration has thanked students and parents for adhering to this ruling.

Twenty-one teachers who are new to Newton are at N.S.H.S. These along with the other members of the faculty who previously taught at N.H.S. make up the first faculty of Newton South High School. The teachers come to us from as far as Australia, France and Western United States.

AFS... Roswitha Radhuber from Lins, Austria (that part nearest the Czechoslovakian border) is the foreign exchange student at N.S.H.S. She arrived here the 21st of August by ship and is staying with Christina Otten, a senior at N.S.H.S. Spirit... Newton South's team was well represented at its first game last Saturday. The cheerleaders and majorettes decked in the school's colors, blue and orange, along with the school's mascot, the lion, displayed the feeling of unity that exists at N.S.H.S.

Curri Club Girls Want To Do 'Odd Jobs' Here

Seventy young ladies, ages 14 to 17, all members of the Curri Club of Newton, are asking the cooperation of the local adults in launching a most worthy enterprise on Columbus Day, October 12.

The girls are volunteering to do odd jobs around the homes of local residents to help raise money for the campaign against Cerebral Palsy.

An earnest young spokesman for the club told The Graphic that the girls will do any kind of reasonable chore, cutting or raking lawns, washing cars or windows, baby-sitting, doing errands, etc.

Columbus Day was selected because it is a school holiday. All Curri Club members are high school students and are totally dedicated to the cause of Cerebral Palsy.

In addition, club members also serve as hospital volunteers.

Local residents wishing to contact club members for October 12th chores may phone BI 4-3312, DE 2-4874, or BI 4-4447.

The club also plans a dance to be held at the Hotel Somerset on November 24 with all proceeds going to the Cerebral Palsy drive.

Club officers include: Susan

Bernheimer, president; Judy Bailen, vice-president and dance chairman; and Joyce Goodman, chairman of the ad book.

Nixon-Lodge 'Volunteers' Formed Here

The "Nixon-Lodge Volunteers," a non-partisan organization, was formed in Newton Tuesday night to seek the support of Democrats and Independents, as well as Republicans, for the Republican ticket in November.

Charles E. Holly was named chairman of the group and will be assisted by the following officers: Mrs. Newell J. Trask, vice-chairman; Stephen B. Wellington, treasurer; Frank R. Wasson, headquarters chairman, and Michael Chapman, membership chairman.

COMING TO THE BOSTON ARENA—Evelyn Currie, the world's only women lion-tamer, shown with one of the animals which will be in her act at the Hamid-Morton circus opening at the Boston Arena on Thursday night of next week.

Famous Circus Will Open In Boston Next Thursday

It will be circus time again at the Boston Arena, starting Thursday night of next week (Oct. 6).

The famous Hamid-Morton circus is coming to Boston for a seven-day appearance under the auspices of Aleppo Temple of the Shrine.

With it will come all the excitement and thrills, all the color and suspense of the big top and the sawdust ring.

There will be breath-taking trapeze performances and pulse-stunning animal acts.

The hilarious capers of a galaxy of clowns, among them the famous Bobo Barnett, will provide fun and side-splitting laughter for both adults and youngsters.

Thirty-one different acts featuring some of the outstanding names of the circus world, will blend into a program of entertainment for young and old alike.

Twelve big shows are scheduled at the Arena during the stay of the great circus. Evening shows are scheduled at 8 p.m. each night from Oct. 6 through Oct. 12.

Afternoon performances will be held at 2:30 p.m. on Saturday, Oct. 8; Sunday, Oct. 9; and Wednesday, Oct. 12.

Morning shows at 10 a.m. are slated for Saturday, Oct. 8, and Wednesday Oct. 12.

Official Shrine night will be observed at the Arena on Thursday evening of next week (Oct. 6) when a parade of the uniformed units of Aleppo Temple will precede the opening performance of the circus.

One of the most sensational animal acts of the circus will feature Evelyn Currie, the world's only female lion-tamer, and her 12 wild animals. Included in the act are lions, tigers and the only tiglon ever trained by a woman.

Another act which is certain to delight the Arena audience will be that staged by Charles Allen and his performing bears who ride bicycles and do other outstanding tricks.

Climaxing and closing the show will be the famous Steel Pier diving horse in an exhibition of unusual diving skill. The horse was trained by Orena Carver.

Robinson's elephants, with trunks full of new tricks, will go through entertaining antics. These and other star-studded acts all add up to a circus which promises to be one of the best Boston ever has seen.

Mulhern Hits Record of His GOP Opponent

Attorney Joseph J. Mulhern, Jr., Democratic nominee for Congress in the 10th district, this week launched a vigorous attack upon the eight-year record of his Republican opponent.

In a television address Mulhern attacked his opponent's record as a "disservice to the people of the 10th district" and criticized his slogan, "There's no substitute for experience."

Mulhern accused his opponent of voting against "a minimum wage of \$1.25, a sufficient program of medical assistance to the elderly, an urban redevelopment and slum clearance program with the appropriation to make it workable and effective, and a home-ownership act which would have cut the cost of new homes for the average American family by at least \$10 per month."

"Is this the kind of experience for which there is no substitute?" demanded Mulhern.

"The interests of the citizens of the 10th district have constantly been ignored by their Congressman for the past eight years because his ideas and conception of our way of life is a half-century behind the times," Mulhern stated.

Mulhern challenged his opponent "to explain to the voters of the 10th district his unwavering support of the present ineffective Republican administration in Washington in the face of the fact that little was accomplished for his district as his votes contributed to the decline in prestige and power of the United States."

Fund Raising Campaign For Scholarships

A meeting attended by more than thirty women held at the home of Diane Feinzig in Newton last week discussed final plans for the fund-raising drive of the Newton Citizens Scholarship Foundation now underway through October 24th.

Proceeds of the drive will be used to assist worthy Newton high school graduates in furthering their college educations.

Beautifully designed books were distributed to those present at the meeting and it is expected that a committee of more than 75 women will be selling these for donations to the campaign.

Those making donations will be entitled to attend a coffee hour at the Waban Neighborhood Club, 1631 Beacon Street, Waban, on October 24th from 1 to 3 p.m. Dr. Brown, new Superintendent of schools, will be the guest speaker.

It was announced by Sherwood J. Tarlow and Lawrence E. Cooke that Dr. Donald K. Davidson and Richard W. Mechem, principals respectively of Newton South High and Newton High Schools, have accepted the positions of advisors to the Scholarship Foundation. In recognition of the fund raising campaign, Mayor Donald L. Gibbs has proclaimed October as "Scholarship Foundation Month."

A milestone was reached at last week's meeting of the eight-month-old club when Joseph W. Cassidy of Wellesley was introduced as the 100th member. The club now boasts 112 members.

There's no doubt about it now — hair cuts are the big Fashion News For Fall.

I guess this makes good sense since all the new hats are close-fitting: big ones or small ones, hats hug the head this season, and you can't have a hat fit smartly over an unruly mop of hair.

How to cut the hair is another matter: the ads in the New York Times go all the way from the "Vamp" to the "Cute Cut" which is so much nonsense as far as I'm concerned. Hair should be cut to complement your features and to follow its own natural qualities. It's plain good sense to know you can't give the same cut to a woman with a round face and fine hair that you can to an oval face with heavy hair — no matter what fancy name you call it.

If that's all there was to it, anybody that could tell the difference between round and oval could give hair cuts. But hair cutting is really an art: shaping hair to give the utmost flattery to the facial bone structure requires patience, skill and imagination. Each coiffure has individual problems and requires a specialized solution which can't be formulated in a disinterested rush.

If you want to see what I mean, stop by: Mr. Conit and Mr. Greco are two young gentlemen with plenty of skill and unlimited imagination when it comes to your hair.

Women Voters Meeting Will Feature Editor

The Newton League of Women Voters is holding its opening meeting Monday, Oct. 3 at 1:15 p.m. at the Workshop on Columbus Street, Newton Highlands.

Thomas Winship, managing editor of the Boston Globe, will speak to League members on the question "Is the Press Fulfilling its Role in this Election Year?" Mr. Winship's discussion of the social and political responsibility of the mass media in an election year will include emphasis on radio and television.

Before his association with the Boston Globe, Mr. Winship, a graduate of Harvard, was a reporter and assistant city editor of the Washington Post. Mr. Winship will also be acting as newsman panelist interviewing Senator Leverett Saltonstall on Wednesday, Oct. 28 on "Ask the Candidates", a news interview program being presented by the Massachusetts League of Women Voters in cooperation with WGBH-TV Channel 2.

Mrs. Isidor Slotnik, president of the Newton League, will welcome League members, and Mrs. James Lewis will be in charge of hospitality. Any interested Newton Women are cordially invited to attend.

Newton Chorus Meets Tuesdays. Voices Welcomed

The Newton Chorus, under the direction of Miss Geraldine Seaver, plans to present selections from Handel's Messiah at the annual Christmas concert early in December.

The chorus, a community organization which has been active since 1947 under the sponsorship of the Newton Recreation Department, will meet every Tuesday evening at 8 o'clock at the Newton Junior College on Washington Park in Newtonville. At a recent first meeting of the season a strong nucleus of former members, men and women, was joined by a number of newcomers who enjoy singing. Additional music-lovers will be welcome in this group.

Miss Seaver will be remembered by recent alumnae of Newton High School and by Newton parents as one who has contributed much to music programs first at Warren Junior High School and later at the Senior High School. During the last two years she has trained students there for presentations of Mendelssohn's Elijah Faure's Requiem, and parts of Handel's Messiah. On the lighter side, she has coached soloists and chorus for The Gondoliers by Gilbert and Sullivan.

Mrs. Charles Williams is the regular accompanist for the Newton Chorus this year. The president of the group is Mrs. Arthur Ehrenberg of 78 Vine street, Chstnut Hill.

NEW EXECUTIVE BUILDING—Architect's drawing of proposed new Boylston Executive Building to be constructed on Route 9 in Brookline-Newton area. Wexler Construction Co. of Newton expect to get work started soon for June, 1961, occupancy.

New Executive Building Planned

Leo A. Wexler, president of Leo A. Wexler, Inc., of Newton Highlands, this week announced plans for construction of a distinctive new suburban office building on Route 9 in the Newton-Brookline area.

The new Boylston Executive Building will be situated within Lyman Park on Route 9, at 900 Boylston Street. The suburban location is easily reached by MTA bus lines and the Highland branch transit line. It is expected that the building will be ready for occupancy on June 1, 1961.

The Boylston Executive

Building will feature luxurious office interiors and a planned working and recreational environment in a quality country atmosphere. On the ground floor, a spacious under-cover drive-in entrance will lead to a large entrance lobby and two automatic elevators. The building will be completely air-conditioned.

Each office will have provisions for integrated fluorescent lighting and acoustical ceilings, modular to fit partitioning needs. Integral sun control shields will provide maximum working ease. Office units are available in

area up to 51,900 square feet.

Parking for 140 cars, with 10 cars under cover at the building entrance, will be provided. The landscaped parking and recreational area measures about 2 1/4 acres, and rises from the street level in a graceful contour ending at the building entrance.

Shade trees, gardens, walks, benches and reflecting pool will provide a pleasant working environment. Shopping, banking, restaurants and other service facilities are nearby at Chestnut Hill Shopping Center and other locations.

Women Voters Back Quiz Of Candidates On Channel 2-TV

The Newton League of Women Voters is playing a major role in a series of 18 television interviews, "Ask the Candidates", being presented by the Massachusetts League of Women Voters in cooperation with WGBH-TV, Channel 2 at 9:30 in the evening from October 3 through November 4.

Mrs. Leopold Beckwith, of 17 Bruce Lane, is serving as general chairman of the arrangements committee setting up the series, assisted by Mrs. Maurice Strauss, also of Newton, and seven women from other Leagues in the Boston area.

The programs will be seen every Monday, Tuesday, Wednesday, and Friday evenings with the exception of October 4 and 18, starting at the same time each evening—9:30 p.m. One candidate for the office of either U.S. Senator, Governor, Attorney General, U.S. Representative from several of the congressional districts, as well as an official spokesman designated by each of the presidential candidates, will be interviewed on each program by a League member and a newsman. He will be asked to explain his views and stands on a number of significant

issues which will be faced by whichever candidate is elected to that particular office. Newtonites will be especially interested in the following interviews: For U.S. Representative, 10th District: Lawrence Curtis (R), Oct. 14; and Joseph Mulhern (D), Oct. 19; Senator Leverett Saltonstall (R) Oct. 31; For Governor, John Volpe (R) Oct. 17; and Joseph Ward (D) Oct. 7.

The public is invited to phone in questions to University 4-6405, during the program and the candidate will answer questions during the last part of the session. The Newton League will be manning the telephones every Friday night. At the switchboard will be Mrs. Martin Karlin, Mrs. Robert Goldstein, Mrs. Edward Richmond, Mrs. Joseph Manello, Mrs. Norman Gold, Mrs. Maynard Slesinger, and Mrs. Herbert LeVine. Screening the calls will be Mrs. Lester Radio and Mrs. Harold Stein. Mrs. Edward L. Richmond will serve also as a special assistant every Friday night.

THE AVIGDOR RUG CENTER INVITES YOU TO ENTER THE Masland CORNUCOPIA CARPET CONTEST!

Be sure to look closely at the lovely Cornucopia broadloom carpets—50% Orlon® and 50% wool—not only for the sake of the contest, but also for the sake of your home! Notice how they combine the new fashions look of Orlon with the lustre, life and warmth of wool. Feast your eyes on clearer, flashier, more fashion-tight colors and richer, bulkier, more highly-textured textures.

Visit the Cornucopia Carpets and see how wonderfully practical, too—easy to clean, stain and scratch resistant, long-wearing and—of course—magnificent! Stop in today and enter the Masland Carpet Cornucopia Contest... and see the splendid prizes when Masland balances Orlon and wool.

McIntosh so soft, it feels like a slipper! It's so comfortable, you'll almost forget your furniture. Beautiful "wall-to-wall" pattern hides foot-prints—makes caring for McIntosh a breeze. **\$9.95** SQ. YD.

Casaba exclusive surface construction of cut pile and loop pile provides beauty that defies years of wear, conceals footprints and requires minimum attention to retain its richly textured appearance. (Another reason why you'll love Masland carpets!) **\$11.95** SQ. YD.

Damson Wilton the beautiful, densely woven surface seems to ripple. The hills and valleys of its distinctive Wilton construction make ever-interesting patterns of light and shadow. Coordinates perfectly with contemporary and traditional decor. **\$12.95** SQ. YD.

Howell a truly luxurious carpet—so deep (over 1/2-inch thick!), so plush, so richly textured that it appears hand-crafted! And the colors are magnificent—dramatic, bold, modern—the last word in carpet fashions. **\$13.95** SQ. YD.
